DEMANDES AU PARLEMENT.

Règles *in re* Avis de bills privés.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Règle spéciale du Sénat.

49. (*c.*) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 12th day of September, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum, dated 12th August 1898, from the Minister of the Interior, reporting that by an Order in Council dated 19th June, 1894, authority was given for the survey and transfer to the Government of the North-west Territories of certain old travelled trails. That it has been the intention of His Honour the Lieutenant-Governor of the North-west Territories to include in the requisition for the survey of these trails the old trail from Pincher Creek Village, westerly to the Saw-Mill, Mill Creek, but by an oversight this trail was omitted from the requisition. Notwithstanding this fact, the trail was surveyed and marked on the ground in the summer of 1894, by Mr. D. L. S. Wilkins, and by a Minute of the Executive Council of the North-west Territories, dated 15th March, 1898, the assent of Your Excellency to the confirmation of the survey of this trail and its transfer to the Territories is asked for.

The Minister recommends that the assent of Your Excellency to the survey and transfer of this trail be given under the powers conferred by clause 19 of chapter 28, Act 60–61 Victoria.

The Committee submit the above recommendation for Your Excellency's approval.

It is 30 feet high, from the sills to the vane on the lantern, and is painted white, with the roof and lantern red.

The light is a fixed white light, elevated 32 feet above high water mark, and should be visible 10 miles, over an arc of 205°, between the bearings of S. 48° E. around through N. to N. 73° W. The illuminating apparatus is dioptric of the 7th order.

15-3

NOTICE TO MARINERS.

No. 54 of 1898.

DOMINION OF CANADA—ONTARIO.

IMPROVEMENTS IN THE ENTRANCE TO PARRY SOUND.

I. Old, or north, channel adopted.

In consequence of the greatly increased draft of steamers now navigating Parry Sound, the Government has decided to efficiently mark the old or north channel, south of Pancake island and north of McClelland rock and Carling rock, and to abandon the marking of the new or south channel, north of Gordon rocks and south of Nias islands and Carling rock. Masters are therefore advised to use the old or north channel, which is shorter, straighter and carries better water than the new channel.

II. Gas buoy on Hooper island shoal.

As an aid to the navigation of the old channel, a steel gas buoy, painted red, with the words "Hooper island shoal" in white letters on the sides, surmonted by a red conical slatwork and a red lantern, was, on or about the 15th instant, moored in 3 fathoms water, in the axis of the Jones island range lights, on the 15-foot patch north of Hooper island, replacing the red spar buoy now marking that point.

Lat.	N.	45°	19'	49"
Long.	W.	80°	18'	37"

The buoy will show a fixed white light elevated 7 feet above the water, from a small dioptric lantern. The light should be visible 3 miles, all around the horizon.

From the buoy the south point of Pancake island bears E.N.E. ½ E., distant 4000 feet.

The substance of this notice should be inserted in the Canadian List of Lights and Fog Signals next after No. 1038.

III. Gas buoy on Spruce island shoal.

As a further aid to the navigation of the old channel, a steel gas buoy, painted black, with the words "Spruce island shoal" in white letters on the sides, surmounted by a black conical slatwork and a red lantern was, on the 9th instant, moored in 4 fathoms water, on the south extremity of the shoal extending south from Spruce island.

Lat.	N.	45°	19'	52"
Long.	W.	80°	15'	48"

The buoy shows a fixed white light, elevated 7 feet above the water, from a small dioptric lantern, and should be visible 3 miles all around the horizon.

From the buoy McClelland rock beacon bears S.W. by W., distant 1300 feet, the summit of Carling rock bears E. ½ N., distant 5800 feet, and the south extremity of Spruce island bears N.E. ¾ N., distant 2400 feet.

The substance of this notice should be inserted in the Canadian List of Lights and Fog Signals after the description of Hooper island shoal gas buoy.

IV. Gas buoy on Seguin bank.

On or about the 19th instant, the platform buoy described in Part I of Notice to Mariners No. 15 of 1898, marking the south end of Seguin bank, will be replaced by a gas buoy, painted black, with the words "Seguin bank" in white letters on the sides, surmounted by a black conical slatwork cage and by a red lantern. The buoy will be moored in 4 fathoms water, immediately south of the shoalest spot.

Lat.	N.	45°	19'	21"
Long.	W.	80°	31'	30"

The buoy will show a fixed white light elevated 10 feet above the water, from a small dioptric lantern. The light should be visible 4 miles, all around the horizon.

The substance of this notice should be inserted in the Canadian List of Lights and Fog Signals between Nos. 1033 and 1034.

The three gas buoys above described will be removed from their stations every autumn as soon as their safety is threatened by ice, and will be replaced as soon as danger from ice is past in the spring.

V. Probable improvement of buoy on Knight shoal.

If practicable, the spar buoy marking Knight shoal will be replaced by the platform buoy removed from Seguin bank.

VI. Removal of lighthouse from Hugh rock to Carling rock and establishment of lighthouse on Cousin island.

It is proposed to remove the lighthouse now maintained on Hugh rock to the north portion of the highest part of Carling rock, during the present season of navigation, and to erect a lighthouse on the south extreme of Cousin island. These lighthouses will mark the channel south of Pancake island and will lead from Hooper island shoal gas buoy to Spruce island shoal gas buoy and will also designate the turning points at Carling rock and Cousin island.

VII. Proposed buoys off Carling rock and on Davy rock.

It is proposed to mark Davy rock by a black spar buoy, and the north end of the shoal off Carling rock by a red spar buoy.

VIII. Discontinuance of temporary range lights marking south channel.

The temporary range lights established last spring to mark the south channel, described in Notice to Mariners No. 21 of 1898, viz: two to mark the channel at Gordon rock and two on Harold point to mark the channel between Carling rock and Cameron island, will not be maintained after the 20th instant.

IX. Lighthouse on Depot island.

The lighthouse on Depot island, referred to in Part III of Notice to Mariners No. 15 of 1898, is completed, and will be put in operation this week. It stands on the beach of the island, at its western extremity, and is a square wooden building, with sloping walls, surmounted by a square wooden lantern, the whole painted white. The height from base to vane on the lantern is 28 feet.

Lat. N. 45° 19' 6"
Long. W. 80° 7' 10"

The light will be a fixed white light, elevated 25 feet above the level of the water, and should be visible 10 miles over an arc of about 180° from S. through E. to N. The illuminating apparatus is dioptric, of the seventh order.

The substance of this notice should be entered in the Canadian List of Lights and Fog Signals after No. 1039.

X. Sailing directions.

Amended sailing directions, to replace those printed in Notices to Mariners Nos. 15 and 21 of 1898, will be published when the improvements indicated in this notice have been completed. Vessels entering by the North channel will leave the Jones Island range alignment at the red gas buoy and steer directly for the black one, leaving it 200 feet on the port hand. They will then shape their course to leave Carling rock beacon or lighthouse 800 to 1,000 feet on the starboard hand. Inside of Carling rock Davy rock is the only hidden danger.

The above notices affect Admiralty charts Nos. 327, 678 and 1731, and Georgian Bay Pilot, supplement of 1893.

F. GOURDEAU,
Deputy-Minister of Marine and Fisheries.

Department of Marine and Fisheries,
Ottawa, Canada, 16th September, 1898.

☞ All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Chief Engineer, Department of Marine and Fisheries, Ottawa, Canada.

NOTICE TO MARINERS.

No. 55 of 1898.

DOMINION OF CANADA—PRINCE EDWARD ISLAND.

ANNANDALE RANGE LIGHTS.

Two range lights, established by the Government of Canada at Annandale, Grand (Boughton) River, Kings County, Prince Edward Island, were put in operation on the 26th ultimo.

The front range building stands in the Village of Annandale, 220 feet north from the shore of the river, and 312 feet N. 70° E. from the head of the public wharf.

Lat. N. 46° 15' 55"
Long. W. 62° 25' 0"

It is a square wooden enclosed tower with sloping sides, surmounted by a square wooden lantern, the whole painted white, and is 13 feet high from its base to the vane on the lantern.

The light is a fixed white light, elevated 28 feet above high water, and should be visible 10 miles in, and over a small arc on each side of, the line of range. The illuminating apparatus is catoptric.

The back light building stands upon a point locally known as Juniper Point, N.W. by N. 5,640 feet from the front one.

It is an open framed wooden square tower with sloping sides, surmounted by an enclosed wooden lantern. The side of the tower facing the channel is slatted to make it more conspicuous, and the whole structure is framed white. The height of the tower, from base to vane, is 56 feet.

The light is a fixed white light, elevated 72 feet above high water mark, and should be visible 14 miles in the line of range. The illuminating apparatus is catoptric.

ANNANDALE WHARF LIGHT.

A fixed red light, elevated 11 feet above high water mark, and visible 1 mile from all points of approach by water is shown from a small lantern hoisted upon a mast erected on the north-west corner of Annandale Wharf. The mast is 8 feet high.

ANNANDALE DAY BEACON.

A diamond shaped beacon, of slabwork painted white, stands upon a ballasted timber platform on a sand bank on the north side of the channel south-east of the front range light building. The bank covers at high water, so that the beacon is surrounded by water for three or four hours at every high tide. It is 13 feet high above high water.

SAILING DIRECTIONS.

A vessel entering the river should bring the range lights in one bearing N. W. by N., and keep them on, past the outer and inner bar cask buoys, until the day beacon is about 50 feet distant on the starboard bow, and until the back light is being obscured by the high land in front of the front range tower. She must then change her course to N.W. by W. ½ W. and continue on that course until the wharf light and back light are in one, N.W. by N. ½ N., which range leads to Annandale Wharf. Care must be taken not to overrun this last range, as there is a middle ground in the harbour south of the wharf. On the course marked by the white range lights the alignment should be carefully kept, as the fairway inside the bar is very narrow at some points. There is good anchorage inside the bar in the line of range. Depth on the bar at high tide, 11 feet; rise of tide, 5 feet. With an on-shore breeze, which makes a breaking sea on the bar, strangers should not attempt the entrance.

This notice affects Admiralty charts Nos. 1651, 2005, 2034 and 2666, St. Lawrence Pilot, Vol. 2; and the details respecting the three lights should be entered in the Canadian List of Lights and Fog Signals between Nos. 350 and 352.

NOTICE TO MARINERS.

No. 56 of 1898.

DOMINION OF CANADA—ONTARIO.

RANGE LIGHTS AT SOUTH BAYMOUTH.

Two range lights, established by the Dominion of Canada at South Baymouth, to lead into the entrance to South bay (Manitoulin gulf), on the south-east shore of Manitoulin island, lake Huron, will be put in operation on or about the 26th instant.

The front range light building stands upon the south-east end of a bare limestone island lying on the north side of the mouth of the bay.

Lat.	N.	45°	30'	35"
Long.	W.	81°	58'	25"

It is a square wooden tower, with sloping sides, surmounted by a square wooden lantern, the whole painted white. The tower 28 is feet high from the ground to the vane of the lantern.

The light will be a fixed white light, elevated 28 feet above the level of the lake, and visible ten miles from all points of approach by water. The illuminating apparatus will be dioptric of the 7th order.

The back range light building stands upon the main land of Manitoulin island, in the woods behind the village of South Baymouth, 772 feet N. 28° E. from the front tower.

It is similar to the front tower, but is 40 feet high. The light will be a fixed white catoptric light, elevated 46 feet above the level of the lake, and should be visible twelve miles in, and over a small arc on each side of, the line of range.

To enter South bay vessels may bring the lights in one well off the shore line, and keep the alignment, N. 28° E., until within 600 feet of the front light, or until the rock next south of the lighthouse rock on the west side of the mouth is almost abeam, when they should haul sharply round and steer N. 77° E. until they are clear of the south end of the village wharf, behind which there is good shelter. This track carries 20 feet water. When about half a mile outside the outer lighthouse, and just east of the range, a rock with 15 feet least water on it may be found, and should be carefully guarded against, as it usually breaks in a southerly sea.

This notice affects Admiralty charts Nos. 519 and 678, and the substance of it should be entered in the Canadian List of Lights and Fog Signals under the numbers 1004 and 1005.

DÉPÊCHE.

[*Extrait de la* NEW ZEALAND GAZETTE, *du* 18 *août* 1898.]

DÉFENSE D'INTRODUIRE DES PLANTES INFESTÉES DU KERMÈS, ET PORTS D'ENTRÉE POUR LES PLANTES, ETC. ' AVIS No. 513.

RANFURLY, GOUVERNEUR.

PROCLAMATION.

CONSIDÉRANT qu'il nous a été démontré que des quantités considérables d'arbres fruitiers et de plantes infestés de diverses espèces de kermès (coccidés) ont été et sont encore importés dans la Nouvelle-Zélande, au danger et détriment des plantations de fruits de cette colonie ; et considérant qu'il est à propos de prohiber l'introduction de ces arbres fruitiers et plantes dans cette colonie ;

Sachez donc que je, Uchter John Mark, comte de Ranfurly, Gouverneur de la colonie de la Nouvelle-Zélande, en vertu du pouvoir et de l'autorité qui me sont conférés par le troisième article de "l'*Orchard and Garden Pests Act*, 1896" (ci-après appelé "le dit acte"), proclame et déclare par le présent que l'introduction dans la Nouvelle-Zélande d'arbres fruitiers ou autres plantes (y compris les boutures, bourgeons, ou autre partie d'une plante sauf le fruit infesté d'aucune espèce de kermès (coccidés), ou dans ou sur lesquels existent des traces qu'aucune telle peste est ou a été présente sous une forme quelconque ou à aucune phase de développement, est par le présent absolument défendue ; et si un arbre fruitier, plante, ou une partie de cet arbre ou plante respectivement prohibé par le présent est importé dans cette colonie, alors ces arbres ou plantes, et les colis les contenant, seront traités de la manière prescrite par l'article six du dit acte au sujet des plantes et autres choses illégalement introduites dans la colonie ; et pour les fins du dit acte, je désigne les ports d'Auckland et de Wellington les seuls ports d'entrée pour les plantes, tel que défini par le dit acte.

Donné sous le seing de Son Excellence le Très-honorable Uchter John Mark, comte de Ranfurly, Chevalier Commandeur de l'Ordre Très-distingué de Saint-Michel et Saint-George, Gouverneur et commandant en chef dans et sur la colonie impériale de la Nouvelle-Zélande et ses dépendances ; et émis sous le sceau de la dite colonie, à l'Hôtel du Gouvernement, à Wellington, ce dixième jour d'août dans l'année de Notre Seigneur mil huit cent quatre-vingt-dix-huit.

Ministre de l'Agriculture.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements pour la concession des mines quartzeuses sur les terres fédérales dans le Manitoba et les Territoires du Nord-Ouest, y compris le district provisoire du Yukon, faits et approuvés par le Gouverneur en conseil le vingt-unième jour de mars 1898, soient et ils sont par le présent modifiés en y insérant ce qui suit comme article 25*a* :—

1. Le ministre de l'Intérieur pourra concéder des emplacements pour l'extraction du cuivre dans le district du Yukon ; chaque emplacement n'excèdera pas cent soixante acres dans un bloc carré. Les bornes de chaque emplacement seront franc nord et sud et franc est et ouest, et il ne séra concédé qu'un seul bloc à une même personne dans un rayon de dix milles. La concession de cet emplacement pour l'extraction du cuivre ne donnera pas droit au concessionnaire d'extraire d'autres minéraux.

2. Sur le cuivre produit par cet emplacement, il sera payé au gouvernement un droit régalien que fixera le ministre de l'Intérieur, n'excédant pas cinq pour cent de ce produit brut.

3. Le ministre de l'Intérieur pourra passer les règles et règlements, et imposer les conditions pour assurer le développement de cet emplacement, et garantir le paiement du droit régalien, qu'il jugera nécessaire à cet égard.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 12th day of September, 1898.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum, dated 12th August 1898, from the Minister of the Interior, reporting that by an Order in Council dated 19th June, 1894, authority was given for the survey and transfer to the Government of the North-west Territories of certain old travelled trails. That it has been the intention of His Honour the Lieutenant-Governor of the North-west Territories to include in the requisition for the survey of these trails the old trail from Pincher Creek Village, westerly to the Saw-Mill, Mill Creek, but by an oversight this trail was omitted from the requisition. Notwithstanding this fact, the trail was surveyed and marked on the ground in the summer of 1894, by Mr. D. L. S. Wilkins, and by a Minute of the Executive Council of the North-west Territories, dated 15th March, 1898, the assent of Your Excellency to the confirmation of the survey of this trail and its transfer to the Territories is asked for.

The Minister recommends that the assent of Your Excellency to the survey and transfer of this trail be given under the powers conferred by clause 19 of chapter 28, Act 60-61 Victoria.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 59 of 1898.

NEWFOUNDLAND.

I. Harbour light and buoy in Port-aux-Basques.

Notice is hereby given by the Government of the Colony of Newfoundland that on and after the 9th September ultimo, a fixed red light would be shown from the northern and western sides of the lantern of the light tower on Road Island, Port-aux-Basques, to indicate the point of the island to vessels leaving the harbour. This light is not visible from seaward. This lighthouse was put in operation earlier this year as a range light (see part III of Notice to Mariners No. 50 of 1898).

Lat. N. 47° 34' 28"
Long. W. 59° 7' 56"

Also that a cask buoy painted black has been moored in 3½ fathoms on the eastern end of Pancake shoal, Port-aux-Basques.

This notice affects Admiralty charts Nos. 232*a*, 2143 and 2828, and Newfoundland and Labrador Pilot, 1897, pages 294 to 297.

II. Shoals between Cape Pine and Cape Race.

With reference to a shoal reported by the British S.S. *Earnwood* in lat. 46° 13' N., long. 53° 46½' W., information has been received by the Admiralty from

Staff Commander W. Tooker, R.N., in charge of the Newfoundland survey, that he has made a careful search for this reported shoal without finding any trace of its existence, the average depths in the vicinity being 70 to 90 fathoms.

During the search a large number of fishing vessels were boarded and the fishermen questioned as to their knowledge respecting the existence of any shoal in that locality, but none of them knew anything of any such shoal, and moreover it appears that in the summer time they assert that schools of a kind of jelly fish, lying 3 or 4 fathoms below the surface, have often been observed by them, and mistaken for shoals, as they much ressemble a white sandy bottom heaped up into lumps; but that when they have sounded they have never discovered any shoal water near them.

Under these circumstances it is believed that the master of the *Earnwood* was deceived by the appearance of shoal water, which was really caused by a school of jelly fish, and the words "shoal reported, 1897," have been erased from the Admiralty chart.

Also the master of the S.S. *Ferndene* having reported in June, 1898, that a "smooth" was observed in lat. 46° 14' N., long. 53° 47' W., which might be caused by a shoal, inquiry has elicited the following facts :—The phenomon was observed at 2.30 p.m., the wind being easterly, with hazy, rainy weather; and the sea being moderate, with a swell. No sounding was taken. This position was also sounded over by Staff Commander Tooker, and depths of 70 to 80 fathoms found. It is not believed that any shoal exists in this locality.

Further information has also been received from Staff Commander Tooker of the existence of the two undermentioned shoals :—

Henry rock, a small patch of 8 fathoms, lies with Cape Pine lighthouse bearing N. 40° E., distant $2\frac{1}{10}$ miles, and Eastern head N. 18° W.

Approximate position, lat. 46° 35' 0" N., long. 53° 32' 20" W.

Horse Shoe rock, a patch half a mile in length in a north-east and south-west direction and a third of a mile in width, with a least depth of 12 fathoms on it, lies with Cape Pine lighthouse bearing N. 48° W., distant $9\frac{6}{10}$ miles, and Drook point N. 52° E.

Approximate position, lat. 46° 34' 45" N., long. 53° 18' 15" W.

Also, that the reported 4 fathoms patch of Mistaken point was examined, but the least depth found was 7 fathoms, which is already shown on the Admiralty charts.

Approximate position, lat. 46° 36' 20" N., long. 53° 8' 30" W.

Variation, 29° westerly in 1898.

This notice affects Admiralty charts Nos. 232*a*, 2058, 2060*b*, 2666 and 2915, and Newfoundland and Labrador Pilot, 1897, pages 40, 44.

III. Cleopatra rock expunged from charts.

Information has been received from Staff Commander Tooker, that he has searched unsuccessfully for Cleopatra rock off Fogo Island, east coast of Newfoundland, and that as the existence of this rock depends on a doubtful report in 1841, and it has never been sounded on, and as moreover the fishermen in the locality know nothing of any rock near this position, it has been expunged from the Admiralty charts.

Approximate position, lat. 49° 43½' N., long. 53° 42¾' W.

This notice affects Admiralty charts Nos. 232*b*, 293, and Newfoundland and Labrador Pilot, 1897, page 330.

IV. St. Pierre—Telephone cable across the roadstead.

The French Government has given notice, dated 22nd July, 1898, that a telephone cable has been laid between Cap à l'Aigle and Tréhouart cove, St. Pierre roadstead, and that vessels must avoid anchoring in the line between these two places.

Approximate position, lat. 46° 47½ N., long. 56° 9' W.

This notice affects Admiralty chart No. 303, and Newfoundland and Labrador Pilot, 1897, page 125.

Les bornes de chaque emplacement seront franc nord et sud et franc est et ouest, et il ne sera concédé qu'un seul bloc à une même personne dans un rayon de dix milles. 2. Sur le cuivre produit par cet emplacement, il sera payé au gouvernement un droit régalien que fixera le ministre de l'Intérieur, n'excédant pas cinq pour cent de ce produit brut.

3. Le ministre de l'Intérieur pourra passer les règles et règlements, et imposer les conditions pour assurer le développement de cet emplacement, et garantir le paiement du droit régalien, qu'il jugera nécessaire à cet égard.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

NOTICE TO MARINERS.

No. 63 of 1898.

DOMINION OF CANADA—ONTARIO.

I. LIGHTHOUSE ON AYLMER ISLAND.

A lighthouse erected by the Government of Canada, on Aylmer Island, Lake des Chênes (upper Ottawa River navigation system), in the County of Carleton, Ontario, to replace the temporary structure from which a light was previously exhibited, was put in operation on the 10th instant.

Approximate position, taken from chart No. 797:—

Lat. N. 45° 25' 0"
Long. W. 75° 53' 0"*

The lighthouse stands on the summit of the small island, near its north-west extremity, and is 1⅓ nautical miles above Aylmer Village wharf. It is a square, enclosed, wooden tower, with sloping sides, surmounted by a square wooden lantern, and is painted white throughout. It is 34 feet high, from the ground to the vane on the lantern.

The light is a fixed white light, elevated 52 feet above the summer level of the lake, and should be visible 10 miles all around the horizon. The illuminating apparatus is dioptric, of small size.

This notice affects Admiralty chart No. 797, and Canadian List of Lights and Fog Signals No. 817.

II. REEFS IN THE EAST END OF LAKE SUPERIOR.

1. Notice is given by the United States Engineer Office at Sault Ste. Marie, that four boulder shoals, each having an approximate area of 50 by 150 feet, and located between Gros Cap and Iroquois point, east end of Lake Superior, have been found by U. S. Assistant Engineer B. Rohnert. They lie eastward of the alignment of the private lights known as Bernard's range, at distances of 750 to 2,000 feet from the alignment.

The shoalest spot on the most westerly shoal is marked by a buoy painted in red and black horizontal bands, moored in 17½ feet water. Mariners are advised to pass to the westward of the buoy.

This is the obstruction mentioned in Part II of Notice to Mariners No. 34 of 1898.

2. In June last the steamer "City of Berlin" was reported as having grounded at a point about three miles nearer the Sault. At the time of grounding she was drawing 17 feet water and was on the river St. Mary upper range nearly opposite the Mission, about 1⅓ miles above the red can buoy on Mission shoal. The obstruction, which has 15 feet water on it, was, at the time, marked by the United States Engineer with a floating staff carrying a red flag.

This notice affects Admiralty charts Nos. 320 and 324.

NOTICE TO MARINERS.

No. 59 of 1898.

NEWFOUNDLAND.

I. Harbour light and buoy in Port-aux-Basques.

Notice is hereby given by the Government of the Colony of Newfoundland that on and after the 9th September ultimo, a fixed red light would be shown from the northern and western sides of the lantern of the light tower on Road Island, Port-aux-Basques, to indicate the point of the island to vessels leaving the harbour. This light is not visible from seaward. This lighthouse was put in operation earlier this year as a range light (see part III of Notice to Mariners No. 50 of 1898).

Lat.	N.	47°	34'	28"
Long.	W.	59°	7'	56"

Also that a cask buoy painted black has been moored in $3\frac{1}{2}$ fathoms on the eastern end of Pancake shoal, Port-aux-Basques.

This notice affects Admiralty charts Nos. 232*a*, 2143 and 2828, and Newfoundland and Labrador Pilot, 1897, pages 294 to 297.

II. Shoals between Cape Pine and Cape Race.

With reference to a shoal reported by the British S.S. *Earnwood* in lat. 46° 13' N., long. 53° $46\frac{1}{2}$' W., information has been received by the Admiralty from Staff Commander W. Tooker, R.N., in charge of the Newfoundland survey, that he has made a careful search for this reported shoal without finding any trace of its existence, the average depths in the vicinity being 70 to 90 fathoms.

During the search a large number of fishing vessels were boarded and the fishermen questioned as to their knowledge respecting the existence of any shoal in that locality, but none of them knew anything of any such shoal, and moreover it appears that in the summer time they assert that schools of a kind of jelly fish, lying 3 or 4 fathoms below the surface, have often been observed by them, and mistaken for shoals, as they much resemble a white sandy bottom heaped up into lumps; but that when they have sounded they have never discovered any shoal water near them.

Under these circumstances it is believed that the master of the *Earnwood* was deceived by the appearance of shoal water, which was really caused by a school of jelly fish, and the words "shoal reported, 1897," have been erased from the Admiralty chart.

Also the master of the S.S. *Ferndene* having reported in June, 1898, that a "smooth" was observed in lat. 46° 14' N., long. 53° 47' W., which might be caused by a shoal, inquiry has elicited the following facts :—The phenomenon was observed at 2.30 p.m., the wind being easterly, with hazy, rainy weather; and the sea being moderate, with a swell. No sounding was taken. This position was also sounded over by Staff Commander Tooker, and depths of 70 to 80 fathoms found. It is not believed that any shoal exists in this locality.

Further information has also been received from Staff Commander Tooker of the existence of the two undermentioned shoals :—

Henry rock, a small patch of 8 fathoms, lies with Cape Pine lighthouse bearing N. 40° E., distant $2\frac{1}{10}$ miles, and Eastern head N. 18° W.

Approximate position, lat. 46° 35' 0" N., long. 53° 32' 20" W.

Horse Shoe rock, a patch half a mile in length in a north-east and south-west direction and a third of a mile in width, with a least depth of 12 fathoms on it, lies with Cape Pine lighthouse bearing N. 48° W., distant $9\frac{6}{10}$ miles, and Drook point N. 52° E.

Approximate position, lat. 46° 34' 45" N., long. 53° 18' 15" W.

Also, that the reported 4 fathoms patch of Mistaken point was examined, but the least depth found was 7 fathoms, which is already shown on the Admiralty charts.

Approximate position, lat. 46° 36' 20" N., long. 53° 8' 30" W.

Variation, 29° westerly in 1898.

This notice affects Admiralty charts Nos. 232*a*, 2058, 2060*b*, 2666 and 2915, and Newfoundland and Labrador Pilot, 1897, pages 40, 44.

III. Cleopatra rock expunged from charts.

Information has been received from Staff Commander Tooker, that he has searched unsuccessfully for Cleopatra rock off Fogo Island, east coast of Newfoundland, and that as the existence of this rock depends on a doubtful report in 1841, and it has never been sounded on, and as moreover the fishermen in the locality know nothing of any rock near this position, it has been expunged from the Admiralty charts.

Approximate position, lat. 49° 43½' N., long. 53° 42¾' W.

This notice affects Admiralty charts Nos. 232*b*, 293, and Newfoundland and Labrador Pilot, 1897, page 330.

IV. St. Pierre—Telephone cable across the roadstead.

The French Government has given notice, dated 22nd July, 1898, that a telephone cable has been laid between Cap à l'Aigle and Tréhouart cove, St. Pierre roadstead, and that vessels must avoid anchoring in the line between these two places.

Approximate position, lat. 46° 47½ N., long. 56° 9' W.

This notice affects Admiralty chart No. 303, and Newfoundland and Labrador Pilot, 1897, page 125.

I. Rock in Queen Charlotte Channel.

It has been reported to this Department that the tow boat "Active" grounded on a pinnacle rock with 8 feet water on it in Queen Charlotte channel to Howe sound, off the mainland of British Columbia.

Lat. N. 49° 21' 42"
Long. W. 123° 17' 23"

The rock is stated by Mr. Johnson, master of the steamer at the time, to be midway, between Bird islet and Copper point, exactly in the middle of the channel, and to be so small that soundings of 12 to 15 fathoms were obtained from the sides of the vessel when grounded.

The channel inside Bird islet is used by small steamers towing logs. Vessels using it are advised to pass between the rock and Copper point.

This notice affects Admiralty charts Nos. 579, 922 and 1922.

II. Hydrographic notes, Active Pass.

Mr. J. T. Walbran, master of the D.G.S. "Quadra" reports:—

(1) That the rock shown on Admiralty chart No. 2840, close to the shore at Laura point, Active Pass, between Mayne and Galiano islands, British Columbia, is not known to navigators having local knowledge, and that an examination made by him failed to show any evidence of its existence.

(2) That a depth of only 1½ fathoms exists on the patch lying north of Active pass lighthouse, on which the least depth shown on Admiralty chart No. 2840 is 3 fathoms.

(3) That a wharf has been built on the north side of Sturdie bay, Galiano Island, which has 15 feet water at its outer end. Sturdie bay is that shown lying west of Active pass lighthouse. It is free from shoals. The wharf is approximately in—

ARRETÉS EN CONSEIL.

[36]

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 10e jour d'octobre 1898.

PRÉSENT :

N EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il appert qu'en arpentant les townships dans le Manitoba et les Territoires du rd-Ouest, les arpenteurs ont l'ordre de laisser des réserves de chemins de la même largeur que les chemins sectionnels adjacents, le long des bornes des réserves des Sauvages, des établissements formés de lots riverains et des terrains disposés autrement qu'en sections, ces chemins étant généralement commodes et dans bien des cas indispensables pour donner accès à quelques-uns des quarts de sections ; et

Considérant qu'il est à propos de pourvoir à des réserves pour chemins dans ces cas,—

A ces causes il plaît à Son Excellence, en vertu des dispositions de "l'Acte des terres fédérales," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'autoriser la mise à part de réserves pour chemins en la manière ci-dessus mentionnée dans la province du Manitoba et dans les Territoires du Nord Ouest.

Il plaît aussi à Son Excellence de confirmer et approuver la mise à part et le tracé des réserves et des chemins qui ont déjà été mis à part et tracés en la manière ci-dessus décrite dans la province du Manitoba et dans les Territoires du Nord-Ouest, sauf et excepté les suivants :—

1. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages, mais qui depuis ont été rétrocédés dans les townships 43 et 44 du rang 5 à l'ouest du troisième méridien.

2. Les réserves de chemins entre les moitiés est et ouest de la section 8 du township 18, rang 21 à l'ouest du principal méridien, et entre les moitiés nord et sud de la dite section 8, et de la section 9 dans le même township.

3. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages (mais rétrocédés depuis) dans la section 36, township 33, rang 6 à l'ouest du troisième méridien, dans le quart nord-ouest de la section 11, township 34, même rang, et dans la moitié est de la section 12 du même township.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 12e jour de septembre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements pour la concession des mines quartzeuses sur les terres fédérales dans le Manitoba et les Territoires du Nord-Ouest, y compris le district provisoire du Yukon, faits et approuvés par le Gouverneur en conseil le vingt-unième jour de mars 1898, soient et ils sont par le présent modifiés en y insérant ce qui suit comme article 25*a* :—

1. Le ministre de l'Intérieur pourra concéder des emplacements pour l'extraction du cuivre dans le district du Yukon ; chaque emplacement n'excèdera pas cent soixante acres dans un bloc carré. Les bornes de chaque emplacement seront franc nord et sud et franc est et ouest, et il ne sera concédé qu'un seul bloc à une même personne dans un rayon de dix milles. La concession de cet emplacement pour l'extraction du cuivre ne donnera pas droit au concessionnaire d'extraire d'autres minéraux.

2. Sur le cuivre produit par cet emplacement, il sera payé au gouvernement un droit régalien que fixera le ministre de l'Intérieur, n'excédant pas cinq pour cent de ce produit brut.

3. Le ministre de l'Intérieur pourra passer les règles et règlements, et imposer les conditions pour assurer le développement de cet emplacement, et garantir le paiement du droit régalien, qu'il jugera nécessaire à cet égard.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

ORDERS IN COUNCIL.

[2236]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of September, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 3rd September, 1898, from the Minister of the Interior, stating that on the 7th February, 1889, a requisition was issued by His Honour the Lieutenant-Governor of the North-west Territories, asking for a survey of the old Mission Trail, extending in a southerly direction from Calgary to the Sarcee Indian Reserve. The necessary authority of the Governor General in Council was not obtained at that time and the Government of the North-west Territories now request that the necessary authorization be given.

The Minister therefore recommends that the assent of Your Excellency be given to the survey of this old Mission Trail, from Calgary to the Sarcee Indian Reserve, and to the transfer of the same to the control of the Lieutenant-Governor of the North-west Territories, as provided for by clause 19 of chapter 28 of the Acts, 60–61 Victoria.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of September, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 3rd September, 1898, from the Minister of the Interior, stating that on the 27th April, 1891, His Honour the then Lieutenant-Governor of the North-west Territories, made a requisition to the then Minister of the Interior, for the survey of the old travelled trail from Guardepuis crossing on the South Saskatchewan River, through the settlements of St. Laurent, Batoche and Fish Creek South to Saskatoon, along the East bank of the South Saskatchewan River, under the provisions of section 108 of The North-west Territories Act. The authority of His Excellency the Governor General in Council, for the survey and transfer of this trail, was not at that time given.

Notwithstanding this fact, the then Lieutenant-Governor of the Territories would appear to have been impressed with the necessity for the opening up of this trail, and he authorized the survey which was made and completed by Mr. J. Lestock Reid, D.L.S., in the year 1891. The assent of Your Excellency to the confirmation of the survey of this trail and its transfer to the Territories is now asked.

The Minister, therefore, recommends that under the powers conferred by clause 19 of chapter 28 of the Act 60-61 Victoria, the assent of Your Excellency to the survey and transfer to the Territories of this said trail be given.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

WHEREAS it appears that in surveying townships in Manitoba and North-west Territories, surveyors are instructed to leave road allowances of the same width as the adjoining sectional roads, along the boundaries of Indian Reserves, settlements formed of river lots and lands laid out otherwise than into sections, these roads being generally convenient and in many cases indispensable for affording access to some of the quarter-sections ; and

Whereas it is expedient that provision be made for allowances for roads in such cases :

Therefore His Excellency, in virtue of the provisions of The Dominion Lands Act, and by and with the advice of the Queen's Privy Council for Canada, is pleased to authorize the setting apart of allowances for roads in the manner as hereinbefore mentioned in the Province of Manitoba and the North-west Territories.

His Excellency is further pleased to confirm and approve the setting apart and laying out of such road allowances and roads as have actually been heretofore set apart and laid out in the manner hereinbefore described in the Province of Manitoba and in the North-west Territories, save and except the following :—

1. The road allowances adjoining certain lands formerly set apart as Indian Reserves, but which have since been surrendered, in Townships 43 and 44, in Range 5 west of the third Meridian.

NOTICE TO MARINERS.

No. 66 of 1898.

DOMINION OF CANADA—NOVA SCOTIA.

BUOYAGE ON ATLANTIC COAST.

I. Buoy on Middle ground shoal, Halifax.

An iron can buoy, surrounded by a spherical slatwork cage, the whole painted in alternate black and red horizontal bands, was, on the 14th instant, established by the Government of Canada to mark the middle ground between Meagher beach and Pleasant point, in the approach to Halifax, Nova Scotia.

Lat.	N.	44°	36'	28"
Long.	W.	63°	32'	30"

The buoy is moored in six fathoms water, immediately south of the shoal, and should be given a berth of ½ cable on either side by vessels of heavy draught, in order to avoid the 4½ fathom patch.

This notice affects Admiralty charts Nos. 311, 729, 2320 and 2410.

II. Removal of South-west breaker bell buoy to Port Medway fairway.

It is the intention of the Government of Canada to remove the bell buoy at present moored off the South-west breaker, entrance to Port Medway, Atlantic coast of Nova Scotia, to a position in about 14 fathoms of water, 1¾ miles S. S. W. from the breaker.

Lat.	N.	44°	3'	15"
Long.	W.	64°	31'	25"

In its new position it will be painted in alternate white and black vertical stripes, with the words "Port Medway" on the side, and will serve as a fairway buoy for entering Port Medway. From the buoy a N. ¾ E. course will lead clear of the south-west breaker up through the channel to the iron can buoy off Neil point, 4½ miles distant.

III. Conical buoy on South-west breaker.

An iron conical buoy, painted red, with "S. W. breaker" in white letters on its side, will be moored in the position formerly occupied by the bell buoy, ¼ mile S. W. from the shoal.

IV. Can buoy off Neil point.

A black iron can buoy will be moored outside the point of the flats off Neil point, in the same entrance at a distance of 2⅞ miles N. ¼ E. from the South-west breaker buoy.

A black iron can buoy was moored in this position in 1888 (see Notice to Mariners No. 35 of 1888), but it was afterwards carried away and replaced by a spar buoy. The can buoy which is now to be moored will take the place of the spar buoy.

These changes will be made about the first week in November, and unless the present arrangements are modified, no further notice of their completion will be given.

The changes affect Admiralty charts Nos. 342 and 730.

Variation in 1898, approximately 21°.

F. GOURDEAU,
Deputy-Minister of Marine and Fisheries.

Department of Marine and Fisheries,
Ottawa, Canada, 20th October, 1898.

☞ All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Chief Engineer, Department of Marine and Fisheries, Ottawa, Canada.

NOTICE TO MARINERS.

No. 67 of 1898.

DOMINION OF CANADA—ONTARIO.

I. Lighthouse removed from Hugh rock to Carling rock.

As indicated in Part VI of Notice to Mariners No. 54 of 1898, the lighthouse previously maintained on Hugh rock, in the entrance to Parry Sound, Georgian Bay, Ontario, has been removed to the north portion of the highest part of Carling rock.

Lat.	N.	45°	20'	8"
Long.	W.	80°	14'	27"

No change has been made in the lighthouse, which is a square wooden building, with sloping sides, surmounted by a square wooden lantern, painted white with a red stripe on the west side. It is 27 feet in height from its base to the vane on the lantern.

The light is, as previously, a fixed white light. It is elevated 26 feet above the level of the water, and should be visible 7 miles in the channel. The illuminating apparatus is dioptric of the seventh order.

After passing Spruce Island shoal gas buoy, vessels entering the sound should shape their course to leave Carling rock lighthouse at least 600 feet on the starboard hand. There is rock with 16 feet of water on it 425 feet N. 40° E. from the lighthouse, which is or will be marked by a spar buoy.

This notice affects Admiralty charts Nos 327, 678 and 1731, Georgian Bay Pilot, Supplement, 1893, and Canadian List of Lights and Fog Signals No. 1039.

II. Rocks in Parry Sound Channel.

Mariners are warned of the existence of the following rocks in Parry Sound channel, which are marked on Admiralty chart No. 1731, corrected to June, 1898, but which are not shown on the earlier editions of that chart:—

(1.) A shoal, with 18 feet of water on it, situated 600 feet N. 11° W. from the northernmost rock awash of Borer bank.

(2.) A rock, with 14 feet water on it, situated 800 feet N. 60° E. from McClelland rock beacon. This rock narrows the channel between it and Spruce Island shoal gas buoy to 650 feet.

(3.) A spit, with 17 feet water on it, running out about 600 feet E. from the rock awash south of Spruce Island, or 1,600 feet N. 67° E. from Spruce Island shoal gas buoy.

(4.) A shoal, with 16 feet of water on it, 425 feet N. 40° E. from Carling rock lighthouse.

Some of these shoals have already been marked by spar buoys. Those not so marked will be buoyed on the opening of navigation next spring.

Variation in 1898, 6° W.

F. GOURDEAU,
Deputy-Minister of Marine and Fisheries.

Department of Marine and Fisheries,
Ottawa, Canada, 19th October, 1898.

☞ All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Chief Engineer, Department of Marine and Fisheries, Ottawa, Canada.

NOTICE TO MARINERS.

No. 68 of 1898.

DOMINION OF CANADA—ONTARIO.

I. Additional buoys in Detroit River.

The Government of Canada, on the 3rd instant, established seven black spar buoys on the west side of the dredged channel off Bar point, at the mouth of Detroit River, Lake Erie, Ontario.

The axis of the channel in question lies in the straight line joining Bois Blanc Island (Canadian) lighthouse and Detroit River (U.S.A.) lighthouse. This channel has been dredged by the U. S. Government to a width of 800 feet, with a depth of 21 feet.

No particulars of the positions of the black spar buoys have yet been received, but they are approximately opposite the red buoys. Three of them have been moved in from where they marked the west edge of the old shallower and wider channel, and four of them are new buoys.

This notice affects Admiralty chart No. 490.

II. Buoys in South Bay entrance.

Four buoys have been placed for the Government of Canada by Mr. W. J. Stewart, in charge of the Hydrographic survey of Lake Huron, at the entrance to South Bay or Manitoulin Gulf, Manitoulin Island, Lake Huron, Ontario, as follows:—

(1) A red spar buoy in 25 feet water, S. 23° W., 6,600 feet from the outer range light, and S. 80° W., 600 feet from a spot with 15 feet water on it. It is also 850 feet E.S.E. of the line of range. On the west and south sides the buoys may be passed close to, but vessels passing to the north-eastward should give it a berth of at least 1,000 feet.

(2) A black spar buoy, to mark the end of Scotchie shoal, in 18 feet water, close to a spot with only four feet on it. The buoy is situated S. 40° W., 2,350 feet from the outer range light, and 400 feet W.N.W. of the line of the range. It may be passed at a distance of 100 feet on its east side.

(3) A red spar buoy S. 15° W., 750 feet from the same light, and 135 feet E.S.E. of the line of range. The buoy is in 14 feet water, 200 feet west from a 9-foot rock. As a spit with 17 feet water on it extends 150 feet farther to the south-westward a master should take care to be exactly in the line of range whilst passing here.

(4) A black spar buoy, in 18 feet water S. 55° E., 400 feet from the same light, marks the south end of the shoal water from the village point.

Vessels entering the harbour on the line of range should, as soon as the inner red buoy is abeam, haul sharply to N. 70° E. to pass between the red and black buoys (rather nearer the latter), and afterwards keep in mid-channel.

Vessels cannot tie up at the wharf, but will find excellent anchorage in from 6 to 9 fathoms at any place from a quarter of a mile above the wharf.

This notice affects Admiralty charts Nos. 519 and 678.

III. Dangerous wreck in River St. Mary.

The United States Hydrographer gives notice that the lighter "Monitor," laden with iron ore, foundered on 25th September, 1898, just above Pointe aux Pins, to the eastward of the red gas buoy (Middle Ground No. 68), and close to. She lies directly in the channel, with the top of her cabin awash and the derrick upright and out of the water. She is an obstruction to navigation, and no arrangements have been made for her removal.

For the present a white lantern light will be displayed from the derrick head to mark the wreck.

This notice affects Admiralty charts Nos. 320 and 324.

A lighthouse tower is in course of construction at Port Dalhousie, Lake Ontario end of the Welland Canal, to replace the back range lighthouse destroyed by lightning in August last. (See Notice to Mariners No. 41 of 1898.) The new tower stands on the shore line immediately east of the line of the breakwater, 1,500 feet inside the front range light, in the same alignment as the old range.

Pending the completion of the new tower, a fixed red light will be shown from the framework of the new building, at an elevation of 50 feet above the level of the lake. The permanent light in the new tower will be a revolving or occulting white light but will not be put in operation before the opening of navigation next spring.

This notice affects Admiralty charts Nos. 336, 797 and 1,152, and Canadian List of Lights and Fog Signals No. 931.

II. Wreck on the Bay of Quinté.

The barge "Puritan" has sunk in about 20 feet water, in the main channel of the Bay of Quinté, about one quarter of a mile S. by W. ½ W. from Deseronto light. Her mast shows above water and a light is shown from it at night. A spar buoy is also being moored to draw attention to the position of the wreck.

This notice affects Admiralty charts Nos. 797, 1,152 and 2,961.

Long. W 127° 50' 58"

The lighthouse stands on the summit of the islet attached to the west side of Egg Island, the islet having been cleared of trees to receive the building, which is of wood, having a square tower with vertical walls rising from the west corner of the lightkeeper's dwelling, and surmounted by a polygonal iron lantern. The building is painted white, with the lantern red. Its height, from its base to the vane on the lantern is 50 feet.

The light is a revolving white light, the flashes attaining their points of greatest brilliancy every 30 seconds. It is elevated 72 feet above high water mark, and should be visible 14 miles between the bearings of N. 45° W. round through E. to S. 6° W. Over the remainder of the horizon, an arc of 129°, the light is obscured by the high land off Egg Island. The illuminating apparatus is catoptric.

This notice affects Admiralty charts Nos. 1917, 1923*b* and 2448, and British Columbia Pilot, 1898, page 392, and the substance of it should be inserted at the end of the Canadian List of Lights and Fog Signals.

Variation in 1898, 25° E.

III. Lighthouse on Ivory Island.

A lighthouse, established by the Government of Canada, on Surf point, Ivory Island, Milbank sound, British Columbia, was put in operation on the 1st instant.

Lat. N. 52° 16' 15"
Long. W. 28° 25' 50"

The lighthouse, which stands upon the bare rock on the south part of the point, is a square wooden building, with vertical walls, carrying a square wooden lantern on the summit of the cottage roof. The walls are painted white, the roof and lantern red. The height of the building from its base to the vane on the lantern is 30 feet.

The light is a fixed white light, elevated 66 feet above high water mark, and should be visible 13 miles over an arc of 233°, between the bearings of S. 75° W. round through N. to S. 52° E. The illuminating apparatus will be dioptric of the 7th order.

This notice affects Admiralty charts Nos. 1923*b* and 2449, and British Columbia Pilot, 1898, page 415, and the substance of it should be inserted at the end of the Canadian List of Lights and Fog Signals.

Variation in 1898, 26° E.

IV. Denny Rock Dangerous.

Referring to Part II of Notice to Mariners No. 51 of 1898, a further examination of Denny rock, south of Egg Island, shows that there is an isolated rock of small extent with a depth of only 7 feet on it at low water, and deep water close around, bearing S. 7° E., distant 6½ cables from Egg Island lighthouse.

The middle of False Egg Island seen over the extreme reef westward of Egg Island leads over the rock. False Egg Island open its own breadth west of the lighthouse clears Denny rock about 3 cables to the westward.

This notice affects Admiralty charts Nos. 1923*b* and 2448, and British Columbia Pilot, 1898, page 392.

NEWFOUNDLAND.

I. Harbour light and buoy in Port-aux-Basques.

Notice is hereby given by the Government of the Colony of Newfoundland that on and after the 9th September ultimo, a fixed red light would be shown from the northern and western sides of the lantern of the light tower on Road Island, Port-aux-Basques, to indicate the point of the island to vessels leaving the harbour. This light is not visible from seaward. This lighthouse was put in operation earlier this year as a range light (see part III of Notice to Mariners No. 50 of 1898).

Lat.	N.	47°	34'	28"
Long.	W.	59°	7'	56"

Also that a cask buoy painted black has been moored in 3½ fathoms on the eastern end of Pancake shoal, Port-aux-Basques.

This notice affects Admiralty charts Nos. 232*a*, 2143 and 2828, and Newfoundland and Labrador Pilot, 1897, pages 294 to 297.

II. Shoals between Cape Pine and Cape Race.

With reference to a shoal reported by the British S.S. *Earnwood* in lat. 46° 13' N., long. 53° 46½' W., information has been received by the Admiralty from Staff Commander W. Tooker, R.N., in charge of the Newfoundland survey, that he has made a careful search for this reported shoal without finding any trace of its existence, the average depths in the vicinity being 70 to 90 fathoms.

During the search a large number of fishing vessels were boarded and the fishermen questioned as to their knowledge respecting the existence of any shoal in that locality, but none of them knew anything of any such shoal, and moreover it appears that in the summer time they assert that schools of a kind of jelly fish, lying 3 or 4 fathoms below the surface, have often been observed by them, and mistaken for shoals, as they much ressemble a white sandy bottom heaped up into lumps; but that when they have sounded they have never discovered any shoal water near them.

Under these circumstances it is believed that the master of the *Earnwood* was deceived by the appearance of shoal water, which was really caused by a school of jelly fish, and the words "shoal reported, 1897," have been erased from the Admiralty chart.

Also the master of the S.S. *Ferndene* having reported in June, 1898, that a "smooth" was observed in lat. 46° 14' N., long. 53° 47' W., which might be caused by a shoal, inquiry has elicited the following facts :—The phenomenon was observed at 2.30 p.m., the wind being easterly, with hazy, rainy weather; and the sea being moderate, with a swell. No sounding was taken. This position was also sounded over by Staff Commander Tooker, and depths of 70 to 80 fathoms found. It is not believed that any shoal exists in this locality.

Further information has also been received from Staff Commander Tooker of the existence of the two undermentioned shoals :—

Henry rock, a small patch of 8 fathoms, lies with Cape Pine lighthouse bearing N. 40° E., distant 2$\frac{1}{10}$ miles, and Eastern head N. 18° W.

Approximate position, lat. 46° 35' 0" N., long. 53° 32' 20" W.

Horse Shoe rock, a patch half a mile in length in a north-east and south-west direction and a third of a mile in width, with a least depth of 12 fathoms on it, lies with Cape Pine lighthouse bearing N. 48° W., distant 9$\frac{6}{10}$ miles, and Drook point N. 52° E.

Approximate position, lat. 46° 34' 45" N., long. 53° 18' 15" W.

Also, that the reported 4 fathoms patch of Mistaken point was examined, but the least depth found was 7 fathoms, which is already shown on the Admiralty charts.

Approximate position, lat. 46° 36' 20" N., long. 53° 8' 30" W.

Variation, 29° westerly in 1898.

This notice affects Admiralty charts Nos. 232*a*, 2058, 2060*b*, 2666 and 2915, and Newfoundland and Labrador Pilot, 1897, pages 40, 44.

III. Cleopatra rock expunged from charts.

Information has been received from Staff Commander Tooker, that he has searched unsuccessfully for Cleopatra rock off Fogo Island, east coast of Newfoundland, and that as the existence of this rock depends on a doubtful report in 1841, and it has never been sounded on, and as moreover the fishermen in the locality know nothing of any rock near this position, it has been expunged from the Admiralty charts.

Approximate position, lat. 49° 43½' N., long. 53° 42¾' W.

This notice affects Admiralty charts Nos. 232*b*, 293, and Newfoundland and Labrador Pilot, 1897, page 330.

IV. St. Pierre—Telephone cable across the roadstead.

The French Government has given notice, dated 22nd July, 1898, that a telephone cable has been laid between Cap à l'Aigle and Tréhouart cove, St. Pierre roadstead, and that vessels must avoid anchoring in the line between these two places.

Approximate position, lat. 46° 47½ N., long. 56° 9' W.

I. Rock in Queen Charlotte Channel.

It has been reported to this Department that the tow boat "Active" grounded on a pinnacle rock with 8 feet water on it in Queen Charlotte channel to Howe sound, off the mainland of British Columbia.

Lat.	N.	49°	21'	42"
Long.	W.	123°	17'	23"

The rock is stated by Mr. Johnson, master of the steamer at the time, to be midway, between Bird islet and Copper point, exactly in the middle of the channel, and to be so small that soundings of 12 to 15 fathoms were obtained from the sides of the vessel when grounded.

The channel inside Bird islet is used by small steamers towing logs. Vessels using it are advised to pass between the rock and Copper point.

This notice affects Admiralty charts Nos. 579, 922 and 1922.

II. Hydrographic notes, Active Pass.

Mr. J. T. Walbran, master of the D.G.S. "Quadra" reports :—

(1) That the rock shown on Admiralty chart No. 2840, close to the shore at Laura point, Active Pass, between Mayne and Galiano islands, British Columbia, is not known to navigators having local knowledge, and that an examination made by him failed to show any evidence of its existence.

(2) That a depth of only 1½ fathoms exists on the patch lying north of Active pass lighthouse, on which the least depth shown on Admiralty chart No. 2840 is 3 fathoms.

(3) That a wharf has been built on the north side of Sturdie bay, Galiano Island, which has 15 feet water at its outer end. Sturdie bay is that shown lying west of Active pass lighthouse. It is free from shoals. The wharf is approximately in—

The building, which stands close to the site of the pole on the west extremity of the islet, consists of a square wooden tower, with sloping walls, surmounted by a square wooden lantern. It is 33 feet in height, from its base to the ventilator on the lantern, and is painted white throughout.

The light, which will be put in operation in the tower on or about the 20th instant, will be fixed red, elevated 30 feet above high water mark, and should be visible 7 miles from all points of approach by water. The illuminating apparatus is dioptric of the 7th order.

I. LIGHTHOUSE ON AYLMER ISLAND.

A lighthouse erected by the Government of Canada, on Aylmer Island, Lake des Chênes (upper Ottawa River navigation system), in the County of Carleton, Ontario, to replace the temporary structure from which a light was previously exhibited, was put in operation on the 10th instant.

Approximate position, taken from chart No. 797 :—

Lat.	N.	45°	25'	0"
Long.	W.	75°	53'	0"

The lighthouse stands on the summit of the small island, near its north-west extremity, and is $1\frac{1}{3}$ nautical miles above Aylmer Village wharf. It is a square, enclosed, wooden tower, with sloping sides, surmounted by a square wooden lantern, and is painted white throughout. It is 34 feet high, from the ground to the vane on the lantern.

The light is a fixed white light, elevated 52 feet above the summer level of the lake, and should be visible 10 miles all around the horizon. The illuminating apparatus is dioptric, of small size.

This notice affects Admiralty chart No. 797, and Canadian List of Lights and Fog Signals No. 817.

II. REEFS IN THE EAST END OF LAKE SUPERIOR.

1. Notice is given by the United States Engineer Office at Sault Ste. Marie, that four boulder shoals, each having an approximate area of 50 by 150 feet, and located between Gros Cap and Iroquois point, east end of Lake Superior, have been found by U. S. Assistant Engineer B. Rohnert. They lie eastward of the alignment of the private lights known as Bernard's range, at distances of 750 to 2,000 feet from the alignment.

The shoalest spot on the most westerly shoal is marked by a buoy painted in red and black horizontal bands, moored in $17\frac{1}{2}$ feet water. Mariners are advised to pass to the westward of the buoy.

This is the obstruction mentioned in Part II of Notice to Mariners No. 34 of 1898.

2. In June last the steamer "City of Berlin" was reported as having grounded at a point about three miles nearer the Sault. At the time of grounding she was drawing 17 feet water and was on the river St. Mary upper range nearly opposite the Mission, about $1\frac{1}{3}$ miles above the red can buoy on Mission shoal. The obstruction, which has 15 feet water on it, was, at the time, marked by the United States Engineer with a floating staff carrying a red flag.

ARRETÉS EN CONSEIL.

[2336]

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 10e jour d'octobre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il appert qu'en arpentant les townships dans le Manitoba et les Territoires du Nord-Ouest, les arpenteurs ont l'ordre de laisser des réserves de chemins de la même largeur que les chemins sectionnels adjacents, le long des bornes des réserves des Sauvages, des établissements formés de lots riverains et des terrains disposés autrement qu'en sections, ces chemins étant généralement commodes et dans bien des cas indispensables pour donner accès à quelques-uns des quarts de sections ; et

Considérant qu'il est à propos de pourvoir à des réserves pour chemins dans ces cas,—

A ces causes il plaît à Son Excellence, en vertu des dispositions de "l'Acte des terres fédérales," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'autoriser la mise à part de réserves pour chemins en la manière ci-dessus mentionnée dans la province du Manitoba et dans les Territoires du Nord Ouest.

Il plaît aussi à Son Excellence de confirmer et approuver la mise à part et le tracé des réserves et des chemins qui ont déjà été mis à part et tracés en la manière ci-dessus décrite dans la province du Manitoba et dans les Territoires du Nord-Ouest, sauf et excepté les suivants :—

1. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages, mais qui depuis ont été rétrocédés dans les townships 43 et 44 du rang 5 à l'ouest du troisième méridien.

2. Les réserves de chemins entre les moitiés est et ouest de la section 8 du township 18, rang 21 à l'ouest du principal méridien, et entre les moitiés nord et sud de la dite section 8, et de la section 9 dans le même township.

3. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages (mais rétrocédés depuis) dans la section 36, township 33, rang 6 à l'ouest du troisième méridien, dans le quart nord-ouest de la section 11, township 34, même rang, et dans la moitié est de la section 12 du même township.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLE SPÉCIALE DU SÉNAT.

49. (*c.*) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

ORDRE PERMANENT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b.* Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu.—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire faite en vertu de "l'Acte de la preuve en Canada, 1893."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 10th day of October, 1898.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Whereas it appears that in surveying townships in Manitoba and North-west Territories, surveyors are instructed to leave road allowances of the same width as the adjoining sectional roads, along the boundaries of Indian Reserves, settlements formed of river lots and lands laid out otherwise than into sections, these roads being generally convenient and in many cases indispensable for affording access to some of the quarter-sections; and

Whereas it is expedient that provision be made for allowances for roads in such cases:

Therefore His Excellency, in virtue of the provisions of The Dominion Lands Act, and by and with the advice of the Queen's Privy Council for Canada, is pleased to authorize the setting apart of allowances for roads in the manner as hereinbefore mentioned in the Province of Manitoba and the North-west Territories.

His Excellency is further pleased to confirm and approve the setting apart and laying out of such road allowances and roads as have actually been heretofore set apart and laid out in the manner hereinbefore described in the Province of Manitoba and in the North-west Territories, save and except the following:—

1. The road allowances adjoining certain lands formerly set apart as Indian Reserves, but which have since been surrendered, in Townships 43 and 44, in Range 5 west of the third Meridian.

2. The road allowances between the east and west halves of Section 8, in Township 18, in Range 21 west of the Principal Meridian, and between the north and south halves of said Section 8, and of Section 9 in the same Township.

3. The road allowances adjoining certain lands formerly set apart as Indian Reserves (but since surrendered) in Section 36, in Township 33, in Range 6 west of the 3rd Meridian, in the north-west quarter of Section 11, in Township 34, in the same Range, and in the east half of Section 12 in the same Township.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of September, 1898.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 3rd September, 1898, from the Minister of the Interior, stating that on the 7th February, 1889, a requisition was issued by His Honour the Lieutenant-Governor of the North-west Territories, asking for a survey of the old Mission Trail, extending in a southerly direction from Calgary to the Sarcee Indian Reserve. The necessary authority of the Governor General in Council was not obtained at that time and the Government of the North-west Territories now request that the necessary authorization be given.

The Minister therefore recommends that the assent of Your Excellency be given to the survey of this old Mission Trail, from Calgary to the Sarcee Indian Reserve, and to the transfer of the same to the control of the Lieutenant-Governor of the North-west Territories, as provided for by clause 19 of chapter 28 of the Acts, 60-61 Victoria.

The Committee submit the above recommendation for Your Excellency's approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of September, 1898.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 3rd September, 1898, from the Minister of the Interior, stating that on the 27th April, 1891, His Honour the then Lieutenant-Governor of the North-west Territories, made a requisition to the then Minister of the Interior, for the survey of the old travelled trail from Guardepuis crossing on the South Saskatchewan River, through the settlements of St. Laurent, Batoche and Fish Creek South to Saskatoon, along the East bank of the South Saskatchewan River, under the provisions of section 108 of The North-west Territories Act. The authority of His Excellency the Governor General in Council, for the survey and transfer of this trail, was not at that time given.

Notwithstanding this fact, the then Lieutenant-Governor of the Territories would appear to have been impressed with the necessity for the opening up of this trail, and he authorized the survey which was made and completed by Mr. J. Lestock Reid, D.L.S., in the year 1891. The assent of Your Excellency to the confirmation of the survey of this trail and its transfer to the Territories is now asked.

The Minister, therefore, recommends that under the powers conferred by clause 19 of chapter 28 of the Act 60-61 Victoria, the assent of Your Excellency to the survey and transfer to the Territories of this said trail be given.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
19–4 Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 70 of 1898.

DOMINION OF CANADA—BRITISH COLUMBIA.

AIDS TO NAVIGATION IN VICTORIA HARBOUR.

1. The positions of the two small harbour lights exhibited from pile beacons in Victoria harbour, Vancouver Island, British Columbia, are incorrectly shown on the existing Admiralty charts. Shoal point beacon light is on the starboard or south side of the channel, at the outer edge of the reef extending north from Shoal point, at the point where a red beacon is marked on the charts. There is no beacon of any kind where the lighted beacon is shown on the charts on the north side of the channel.

2. Pin rock beacon light will hereafter be called "Middle rock beacon light." The cluster of piles from which it is shown stands 70 feet S.E. by E. from Middle rock. Pin rock was removed by dredging to a least depth of 13 feet some years ago, and the beacon never stood near the position formerly occupied by that obstruction.

3. Beaver and Pinnacle rocks, off Songheis point, have been removed by dredging, and their names should be removed from the charts.

4. The spit shown outside the end of Brackman and Ker's wharf has been removed by dredging to a least depth of 13 feet. From Brackman and Ker's wharf to Laurel point there is now a channel with a least width of 400 feet and a least depth of 13 feet.

5. A beacon consisting of the frustum of a cone in steel, filled with concrete, has been erected on the shoalest part of Brotchy ledge, at the entrance to Victoria harbour, near the spot formerly occupied by the wreck of the "San Pedro," which has been entirely removed. It is proposed to light this beacon electrically, and a full description of it will be given when the installation is complete.

This notice affects Admiralty chart Nos. 576, 1897*b*, 2687 and 2840; British Columbia Pilot, 1898, pages 80 to 82; and Canadian List of Lights and Fog Signals Nos. 1169 and 1170.

F. GOURDEAU,
Deputy-Minister of Marine and Fisheries.
Department of Marine and Fisheries,
Ottawa, Canada, 2nd November, 1898.

☞All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Chief Engineer, Department of Marine and Fisheries, Ottawa, Canada.

NOTICE TO MARINERS.

No. 71 of 1898.

DOMINION OF CANADA—QUEBEC.

IMPROVEMENTS IN SHIP CHANNEL, RIVER ST. LAWRENCE.

I. Barre à Boulard Cut completed and buoyed.

The Department of Public Works of Canada have completed the dredging of the cut through Barre à Boulard, Richelieu Rapids, in the ship channel between Quebec and Montreal, to a width of 500 feet and a least depth of 27½ feet. The alignment of the day beacons on the hill at the Platon passes through this cut parallel with its sides but only 200 feet from the north edge. Range light buildings are under construction by the Department of Marine and Fisheries in the axis of the cut, 50 feet southward of the alignment of the beacons. The upper and lower extremities of the south edge of the cut are being marked by black can buoys moored in 30 feet of water on the following angles :—

Lower buoy :—

Calvaire	0°
Deschambault church south spire,	90° 50'
Richelieu Islet lighthouse	46° 25'

Upper buoy :—

Calvaire,	0°
Deschambault church south spire,	87° 45'
Richelieu islet lighthouse.	35° 15'

II. Removal of patches and rearrangement of buoys.

The Department of Public Works have removed several shoal spits and isolated patches near the line of the ship channel, thereby widening and improving the channel, as follows :—

(1.) The south point of the shoal extending into the ship channel from the north opposite the mouth of Batiscan river, and on the opposite side of the channel from black spar buoy No. 33B. This point has been dredged to a depth of 29 feet at low water, 1898, and to a width of 330 feet from the alignment marked by the edge of the pine trees in one with Batiscan church spire. Black spar buoy No. 33B, showing the south limit of the channel in this vicinity is 260 feet southeast of the same alignment.

(2.) The north end of the spit marked by black spar buoy No. 56, in the stretch between Cape Madeleine upper range lights and Cape Madeleine day beacons, the north end of a small isolated patch between buoys Nos. 56 and 57, and the whole of the small isolated patch marked by buoy No. 57 have been dredged to a depth of 28½ feet at the low water of 1898. These changes will give a channel with a least width of 500 feet at the turn at the upper end of Becancour traverse. To better mark the improved channel black spar buoy No. 56 will be moved 250 feet S. 38° W., and black spar buoy No. 57 will be moved 630 feet S. 63° W. from their present positions.

(3.) The channel opposite Cape Madeleine village has been widened by the removal of the north point of the spit opposite Cape Madeleine church, marked by black spar buoy No. 57*a*, the removal of the small isolated patch next south-west of that buoy, and the removal of the patch opposite Pointe des Chenaux, marked by black spar buoy No. 57*b*, to a depth of 28½ feet, low water, 1898. In consequence of these improvements, black spar buoy No. 57*a* will be moved to a new position 100 feet S. 43½° E. from its present position, and black spar buoy No. 57*b* will be moved to a new position 940 feet S. 42° W. from its present position.

(4.) The four buoys to be moved as above mentioned will be set upon the following sextant angles :—

III. Widening of channel opposite Montreal.

The Montreal Harbour Commissioners have gradually widened the ship channel in front of the city of Montreal, between Victoria pier and the Lachine Canal entrance, until it is now 500 feet in clear width at the Island wharf, 800 feet opposite the Dominion line berths, and 670 feet at the outermost projecting point of Victoria pier. In consequence of these improvements it is necessary to move the five black spar buoys in the basin to show the edge of the deep water. The new positions of the buoys affected will be as follows :—

Black spare buoy No. 202, opposite the head of Victoria pier, moved 295 feet S. 68° E. to a new position marked by the following angles :—

Custom-house dome,	0°

No. 72 of 1898.

DOMINION OF CANADA—QUEBEC.

Ste. Emélie Range Lights.

In 1880, two lighthouse towers were erected by the Government of Canada at Ste. Emélie, in the County of Lotbinière, Province of Quebec, which in one mark the axis of the 27½-foot dredged channel between Cap Charles and Cap à la Roche. The lights in these towers were put in operation for the first time on the 26th ultimo.

The front range building stands on the south side of the highway running along the top of the cliff on the south shore of the River St. Lawrence, and is situated about midway between the mouth of Grande Rivière du Chêne and the mouth of Petite Rivière du Chêne. At the site, the river bank rises steeply to a height of about 80 feet, and the top of the bank is clear, level, cultivated land.

Lat. N. 46° 33' 40"
Long. W. 72° 1' 0"

The tower is a square wooden building, with sloping sides, surmounted by a square galvanized lantern, and is 30 feet in height from its base to the ventilator on the lantern. It is painted white, with a red stripe down the middle of the west side, facing the channel. The light is a fixed white light, elevated 114 feet above high water mark, and should be visible 16 miles from all points of approach by water. The illuminating apparatus is catoptric.

The back range light tower is similar to the front building, and stands on a gentle rise backed by woods, 3,420 feet S. 70° 30' E. from the front tower. The light is a fixed white catoptric light, elevated 131 feet above high water mark, and should be visible 16 miles in and over a small arc on each side of the line of range.

The two lights in one, bearing N. 70° 30' W., lead midway between the red and black buoys, from the curve at Cap Charles to the curve at Cap à la Roche. The channel marked by this range is 300 feet wide, with a least depth of 27½ feet at extreme low water.

This notice affects Admiralty charts Nos. 797, 2779 and 2830*a*; Montreal Ship Channel chart No. 15; and Canadian List of Lights and Fog Signals Nos. 689 and 690.

NOTICE TO MARINERS.

No. 63 of 1898.

DOMINION OF CANADA—ONTARIO.

I. Lighthouse on Aylmer Island.

A lighthouse erected by the Government of Canada on Aylmer Island, Lake des Chênes (upper Ottawa River navigation system), in the County of Carleton, Ontario, to replace the temporary structure from which a light was previously exhibited, was put in operation on the 10th instant.

Approximate position, taken from chart No. 797 :—
Lat. N. 45° 25' 0"
Long. W. 75° 53' 0"

The lighthouse stands on the summit of the small island, near its north-west extremity, and is 1⅓ nautical miles above Aylmer Village wharf. It is a square, enclosed, wooden tower, with sloping sides, surmounted by a square wooden lantern, and is painted white throughout. It is 34 feet high, from the ground to the vane on the lantern.

The light is a fixed white light, elevated 52 feet above the summer level of the lake, and should be visible 10 miles all around the horizon. The illuminating apparatus is dioptric, of small size.

This notice affects Admiralty chart No. 797, and Canadian List of Lights and Fog Signals No. 817.

II. Reefs in the east end of Lake Superior.

1. Notice is given by the United States Engineer Office at Sault Ste. Marie, that four boulder shoals, each having an approximate area of 50 by 150 feet, and located between Gros Cap and Iroquois point, east end of Lake Superior, have been found by U. S. Assistant Engineer B. Rohnert. They lie eastward of the alignment of the private lights known as Bernard's range, at distances of 750 to 2,000 feet from the alignment.

The shoalest spot on the most westerly shoal is marked by a buoy painted in red and black horizontal bands, moored in $17\frac{1}{2}$ feet water. Mariners are advised to pass to the westward of the buoy.

This is the obstruction mentioned in Part II of Notice to Mariners No. 34 of 1898.

2. In June last the steamer "City of Berlin" was reported as having grounded at a point about three miles nearer the Sault. At the time of grounding she was drawing 17 feet water and was on the river St. Mary upper range nearly opposite the Mission, about $1\frac{1}{3}$ miles above the red can buoy on Mission shoal. The obstruction, which has 15 feet water on it, was, at the time, marked by the United States Engineer with a floating staff carrying a red flag.

This notice affects Admiralty charts Nos. 320 and 324.

Deputy-Minister of Marine and Fisheries.

NOTICE TO MARINERS.

No. 66 of 1898.

DOMINION OF CANADA—NOVA SCOTIA.

Buoyage on Atlantic Coast.

I. Buoy on Middle ground shoal, Halifax.

An iron can buoy, surrounded by a spherical slatwork cage, the whole painted in alternate black and red horizontal bands, was, on the 14th instant, established by the Government of Canada to mark the middle ground between Meagher beach and Pleasant point, in the approach to Halifax, Nova Scotia.

Lat. N. 44° 36' 28"
Long. W. 63° 32' 30"

The buoy is moored in six fathoms water, immediately south of the shoal, and should be given a berth of $\frac{1}{2}$ cable on either side by vessels of heavy draught, in order to avoid the $4\frac{1}{2}$ fathom patch.

This notice affects Admiralty charts Nos. 311, 729, 2320 and 2410.

II. Removal of South-west breaker bell buoy to Port Medway fairway.

It is the intention of the Government of Canada to remove the bell buoy at present moored off the South-west breaker, entrance to Port Medway, Atlantic coast of Nova Scotia, to a position in about 14 fathoms of water, $1\frac{3}{4}$ miles S. S. W. from the breaker.

Lat. N. 44° 3' 15"
Long. W. 64° 31' 25"

In its new position it will be painted in alternate white and black vertical stripes, with the words "Port Medway" on the side, and will serve as a fairway buoy for entering Port Medway. From the buoy a N. $\frac{3}{4}$ E. course will lead clear of the south-west breaker up through the channel to the iron can buoy off Neil point, $4\frac{1}{2}$ miles distant.

III. Conical buoy on South-west breaker.

An iron conical buoy, painted red, with "S. W. breaker" in white letters on its side, will be moored in the position formerly occupied by the bell buoy, $\frac{1}{4}$ mile S. W. from the shoal.

IV. Can buoy off Neil point.

A black iron can buoy will be moored outside the point of the flats off Neil point, in the same entrance at a distance of $2\frac{7}{8}$ miles N. $\frac{1}{4}$ E. from the South-west breaker buoy.

A black iron can buoy was moored in this position in 1888 (see Notice to Mariners No. 35 of 1888), but it was afterwards carried away and replaced by a spar buoy. The can buoy which is now to be moored will take the place of the spar buoy.

These changes will be made about the first week in November, and unless the present arrangements are modified, no further notice of their completion will be given.

The changes affect Admiralty charts Nos. 342 and 730.

NOTICE TO MARINERS.

No. 67 of 1898.

DOMINION OF CANADA—ONTARIO.

I. Lighthouse removed from Hugh rock to Carling rock.

As indicated in Part VI of Notice to Mariners No. 54 of 1898, the lighthouse previously maintained on Hugh rock, in the entrance to Parry Sound, Georgian Bay, Ontario, has been removed to the north portion of the highest part of Carling rock.

Lat. N. 45° 20' 8"
Long. W. 80° 14' 27"

No change has been made in the lighthouse, which is a square wooden building, with sloping sides, surmounted by a square wooden lantern, painted white with a red stripe on the west side. It is 27 feet in height from its base to the vane on the lantern.

The light is, as previously, a fixed white light. It is elevated 26 feet above the level of the water, and should be visible 7 miles in the channel. The illuminating apparatus is dioptric of the seventh order.

After passing Spruce Island shoal gas buoy, vessels entering the sound should shape their course to leave Carling rock lighthouse at least 600 feet on the starboard hand. There is rock with 16 feet of water on it 425 feet N. 40° E. from the lighthouse, which is or will be marked by a spar buoy.

This notice affects Admiralty charts Nos 327, 678 and 1731, Georgian Bay Pilot, Supplement, 1893, and Canadian List of Lights and Fog Signals No. 1039.

II. Rocks in Parry Sound Channel.

Mariners are warned of the existence of the following rocks in Parry Sound channel, which are marked on Admiralty chart No. 1731, corrected to June, 1898, but which are not shown on the earlier editions of that chart:—

(1.) A shoal, with 18 feet of water on it, situated 600 feet N. 11° W. from the northernmost rock awash of Borer bank.

(2.) A rock, with 14 feet water on it, situated 800 feet N. 60° E. from McClelland rock beacon. This rock narrows the channel between it and Spruce Island shoal gas buoy to 650 feet.

(3.) A spit, with 17 feet water on it, running out about 600 feet E. from the rock awash south of Spruce Island, or 1,600 feet N. 67° E. from Spruce Island shoal gas buoy.

(4.) A shoal, with 16 feet of water on it, 425 feet N. 40° E. from Carling rock lighthouse.

Some of these shoals have already been marked by spar buoys. Those not so marked will be buoyed on the opening of navigation next spring.

Variation in 1898, 6° W.

Deputy-Minister of Marine and Fisheries.

Department of Marine and Fisheries,

NOTICE TO MARINERS.

No. 68 of 1898.

DOMINION OF CANADA—ONTARIO.

I. Additional buoys in Detroit River.

The Government of Canada, on the 3rd instant, established seven black spar buoys on the west side of the dredged channel off Bar point, at the mouth of Detroit River, Lake Erie, Ontario.

The axis of the channel in question lies in the straight line joining Bois Blanc Island (Canadian) lighthouse and Detroit River (U.S.A.) lighthouse. This channel has been dredged by the U. S. Government to a width of 800 feet, with a depth of 21 feet.

No particulars of the positions of the black spar buoys have yet been received, but they are approximately opposite the red buoys. Three of them have been moved in from where they marked the west edge of the old shallower and wider channel, and four of them are new buoys.

This notice affects Admiralty chart No. 490.

II. Buoys in South Bay entrance.

Four buoys have been placed for the Government of Canada by Mr. W. J. Stewart, in charge of the Hydrographic survey of Lake Huron, at the entrance to South Bay or Manitoulin Gulf, Manitoulin Island, Lake Huron, Ontario, as follows :—

(1) A red spar buoy in 25 feet water, S. 23° W., 6,600 feet from the outer range light, and S. 80° W., 600 feet from a spot with 15 feet water on it. It is also 850 feet E.S.E. of the line of range. On the west and south sides the buoys may be passed close to, but vessels passing to the north-eastward should give it a berth of at least 1,000 feet.

(2) A black spar buoy, to mark the end of Scotchie shoal, in 18 feet water, close to a spot with only four feet on it. The buoy is situated S. 40° W., 2,350 feet from the outer range light, and 400 feet W.N.W. of the line of the range. It may be passed at a distance of 100 feet on its east side.

(3) A red spar buoy S. 15° W., 750 feet from the same light, and 135 feet E.S.E. of the line of range. The buoy is in 14 feet water, 200 feet west from a 9-foot rock. As a spit with 17 feet water on it extends 150 feet farther to the south-westward a master should take care to be exactly in the line of range whilst passing here.

(4) A black spar buoy, in 18 feet water S. 55° E., 400 feet from the same light, marks the south end of the shoal water from the village point.

Vessels entering the harbour on the line of range should, as soon as the inner red buoy is abeam, haul sharply to N. 70° E. to pass between the red and black buoys (rather nearer the latter), and afterwards keep in mid-channel.

Vessels cannot tie up at the wharf, but will find excellent anchorage in from 6 to 9 fathoms at any place from a quarter of a mile above the wharf.

This notice affects Admiralty charts Nos. 519 and 678.

III. Dangerous wreck in River St. Mary.

The United States Hydrographer gives notice that the lighter "Monitor," laden with iron ore, foundered on 25th September, 1898, just above Pointe aux Pins, to the eastward of the red gas buoy (Middle Ground No. 68), and close to. She lies directly in the channel, with the top of her cabin awash and the derrick upright and out of the water. She is an obstruction to navigation, and no arrangements have been made for her removal.

For the present a white lantern light will be displayed from the derrick head to mark the wreck.

This notice affects Admiralty charts Nos. 320 and 324.

A lighthouse tower is in course of construction at Port Dalhousie, Lake Ontario end of the Welland Canal, to replace the back range lighthouse destroyed by lightning in August last. (See Notice to Mariners No. 41 of 1898.) The new tower stands on the shore line immediately east of the line of the breakwater, 1,500 feet inside the front range light, in the same alignment as the old range.

Pending the completion of the new tower, a fixed red light will be shown from the framework of the new building, at an elevation of 50 feet above the level of the lake. The permanent light in the new tower will be a revolving or occulting white light but will not be put in operation before the opening of navigation next spring.

This notice affects Admiralty charts Nos. 336, 797 and 1,152, and Canadian List of Lights and Fog Signals No. 931.

II. Wreck on the Bay of Quinté.

The barge "Puritan" has sunk in about 20 feet water, in the main channel of the Bay of Quinté, about one quarter of a mile S. by W. ½ W. from Deseronto light. Her mast shows above water and a light is shown from it at night. A spar buoy is also being moored to draw attention to the position of the wreck.

ARRÊTÉS EN CONSEIL.

[2336]

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 10e jour d'octobre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il appert qu'en arpentant les townships dans le Manitoba et les Territoires du Nord-Ouest, les arpenteurs ont l'ordre de laisser des réserves de chemins de la même largeur que les chemins sectionnels adjacents, le long des bornes des réserves des Sauvages, des établissements formés de lots riverains et des terrains disposés autrement qu'en sections, ces chemins étant généralement commodes et dans bien des cas indispensables pour donner accès à quelques-uns des quarts de sections ; et

Considérant qu'il est à propos de pourvoir à des réserves pour chemins dans ces cas,—

A ces causes il plaît à Son Excellence, en vertu des dispositions de "l'Acte des terres fédérales," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'autoriser la mise à part de réserves pour chemins en la manière ci-dessus mentionnée dans la province du Manitoba et dans les Territoires du Nord Ouest.

Il plaît aussi à Son Excellence de confirmer et approuver la mise à part et le tracé des réserves et des chemins qui ont déjà été mis à part et tracés en la manière ci-dessus décrite dans la province du Manitoba et dans les Territoires du Nord-Ouest, sauf et excepté les suivants :—

1. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages, mais qui depuis ont été rétrocédés dans les townships 43 et 44 du rang 5 à l'ouest du troisième méridien.

2. Les réserves de chemins entre les moitiés est et ouest de la section 8 du township 18, rang 21 à l'ouest du principal méridien, et entre les moitiés nord et sud de la dite section 8, et de la section 9 dans le même township.

3. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages (mais rétrocédés depuis) dans la section 36, township 33, rang 6 à l'ouest du troisième méridien, dans le quart nord-ouest de la section 11, township 34, même rang, et dans la moitié est de la section 12 du même township.

PUISSANCE DU CANADA—QUÉBEC.

AMÉLIORATIONS AU CHENAL DES NAVIRES, FLEUVE SAINT-LAURENT.

I. Tranchée de la Barre à Boulard complétée et balisée.

Le département des Travaux Publics du Canada a complété le dragage de la tranchée à travers la Barre à Boulard, rapides Richelieu, dans le chenal des navires entre Québec et Montréal, sur une largeur de 500 pieds et une profondeur minimum de 27½ pieds. L'alignement des balises de jour sur le coteau au Platon passe dans cette tranchée parallèment à ses côtés mais à 200 pieds seulement du bord nord. Les bâtiments des feux d'alignement sont en voie de construction par le Ministère de la Marine et des Pêcheries dans l'axe de la tranchée, 50 pieds au sud de l'alignement des balises. Les extrémités d'amont et d'aval du bord sud de la tranchée sont en voie d'être marquées par des bouées-boîtes noires ancrées dans 30 pieds d'eau avec les angles ci-dessous :—

Bouée d'aval—

II. Enlèvement des battures et réarrangement des bouées.

Le département des Travaux Publics a enlevé plusieurs hauts-fonds et battures isolées près de la ligne du chenal des navires, élargissant et améliorant aussi le chenal comme suit :—

(1.) La pointe sud de la batture qui s'avance du nord dans le chenal des navires vis-à-vis l'embouchure de la rivière Batiscan, et, du côté opposé du chenal, de la bouée-espars noire No. 33B. Cette pointe a été draguée jusqu'à une profondeur de 29 pieds à l'eau basse, 1898, et jusqu'à une largeur de 330 pieds depuis l'alignement marqué par le bord des pins en ligne avec la flèche de l'église de Batiscan. La bouée-espars noire No. 33B, qui indique la limite sud du chenal à cet endroit, est à 260 pieds au nord-est du même alignement.

(2.) L'extrémité nord de la pointe de terre marquée par la bouée-espars noire No. 56, dans le bief entre les feux d'alignement d'amont du Cap Madeleine et les balises de jour du Cap Madeleine, l'extrémité nord d'une petite batture isolée entre les bouées Nos. 56 et 57, et toute la petite batture isolée marquée par la bouée No. 57, ont été draguées jusqu'à une profondeur de 28½ pieds à l'eau basse de 1898. Ces changements donneront un chenal d'une largeur minimum de 500 pieds au coude à l'extrémité d'amont de la traverse de Bécancour. Afin de mieux indiquer le chenal amélioré la bouée-espars noire No. 56 sera reculée de 250 pieds S. 38° O., et la bouée-espars noire No. 57 sera reculée 630 pieds S. 63° O. de leurs positions actuelles.

(3.) Le chenal vis-à-vis le village du Cap Madeleine a été élargi en faisant disparaître la pointe nord de la batture vis-à-vis l'église de Cap Madeleine, marquée par la bouée-espars noire No. 57*a*, en faisant disparaître l'autre petite batture isolée au sud-ouest de cette bouée, et en faisant disparaître la batture vis-à-vis la Pointe-des-Chenaux marquée par la bouée-espars noire No. 57*b*, jusqu'à une profondeur de 28½ pieds, eau basse, 1898. A cause de ces améliorations, la bouée-espars noire No. 57*a* sera reculée à une nouvelle position à 100 pieds S. 43½° E. de sa position actuelle, et la bouée-espars noire No. 57*b* sera reculée à une nouvelle position à 940 pieds S. 42° O. de sa position actuelle.

(4.) Les quatre bouées qui seront déplacées comme susdit, seront posées avec les angles suivants :—

III. Elargissement du chenal vis-à-vis de Montréal.

Les Commissaires du havre de Montréal ont graduellement élargi le chenal des navires vis-à-vis la cité de Montréal, entre la jetée Victoria et l'entrée du canal Lachine, de façon qu'il a aujourd'hui 500 pieds de largeur au quai de l'Ile, 800 pieds vis-à-vis les quais de la ligne Dominion, et 670 pieds à l'extrémité de la jetée Victoria. En conséquence de ces améliorations il est nécessaire de reculer les cinq bouées-espars noires dans le bassin pour indiquer le bord de l'eau profonde. Les nouvelles positions des bouées déplacées seront comme suit :

AVIS AUX MARINS.

No. 72 de 1898.

PUISSANCE DU CANADA—QUÉBEC.

FEUX D'ALIGNEMENT DE SAINTE-ÉMÉLIE.

En 1880, deux tours de phare furent érigées par le gouvernement du Canada à Sainte-Emélie, dans le comté de Lotbinière, province de Québec, lesquels l'un dans l'autre marquent l'axe du chenal dragué de 27½ pieds entre Cap-Charles et Cap à la Roche. Les feux dans ces tours fonctionnèrent pour la première fois le 26 ultimo.

Le bâtiment du feu d'avant est sis sur le côté sud du grand chemin courant le long de la falaise sur la rive sud du fleuve Saint-Laurent, et est à mi-chemin entre l'embouchure de la Grande rivière du Chêne et l'embouchure de la Petite rivière du Chne. A l'emplacement la berge de la rivière s'élève abruptement à une hauteur d'environ 80 pieds, et le sommet de la berge est un terrain net, uni et cultivé.

Lat. N. 46° 33' 40"
Long. O. 72° 1' 0"

La tour est une construction en bois carrée, avec côtés en pente, surmontée d'une lanterne carrée en fer galvanisé, et a 30 pieds de hauteur de sa base au ventilateur sur la lanterne. Elle est peinturée en blanc, avec une bande rouge descendant au centre du côté ouest, faisant face au chenal. Le feu est blanc fixe, à 114 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 16 milles de tous les points d'approche par eau. L'appareil d'éclairage est catoptrique.

La tour du feu d'arrière est semblable à celle d'avant, et est sise sur une légère élévation de terrain avec bois à l'arrière-plan, à 3,420 pieds S. 70° 30' E., de la tour d'avant. Le feu est blanc fixe catoptrique, à 131 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 16 milles dans un petit rayon de chaque côté de l'alignement.

Les deux feux l'un dans l'autre, N. 70° 30' O, guident entre les bouées rouge et noire, depuis la courbe au Cap Charles à la courbe au Cap à la Roche. Le chenal marqué par cet alignement est large de 300 pieds, avec une profondeur minimum de 27½ pieds à l'eau basse externe.

Cet avis concerne les cartes de l'Amirauté Nos. 797, 2779 et 2830*a* ; la carte du chenal des navires de Montréal, No. 15 ; et la Liste de phares et signaux de brume canadiens, Nos. 689 et 690.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLE SPÉCIALE DU SÉNAT.

49. (*c.*) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

ORDRE PERMANENT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b.* **Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—**

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 10th day of October, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it appears that in surveying townships in Manitoba and North-west Territories, surveyors are instructed to leave road allowances of the same width as the adjoining sectional roads, along the boundaries of Indian Reserves, settlements formed of river lots and lands laid out otherwise than into sections, these roads being generally convenient and in many cases indispensable for affording access to some of the quarter-sections ; and

Whereas it is expedient that provision be made for allowances for roads in such cases :

Therefore His Excellency, in virtue of the provisions of The Dominion Lands Act, and by and with the advice of the Queen's Privy Council for Canada, is pleased to authorize the setting apart of allowances for roads in the manner as hereinbefore mentioned in the Province of Manitoba and the North-west Territories.

His Excellency is further pleased to confirm and approve the setting apart and laying out of such road allowances and roads as have actually been heretofore set apart and laid out in the manner hereinbefore described in the Province of Manitoba and in the North-west Territories, save and except the following :—

1. The road allowances adjoining certain lands formerly set apart as Indian Reserves, but which have since been surrendered, in Townships 43 and 44, in Range 5 west of the third Meridian.
2. The road allowances between the east and west halves of Section 8, in Township 18, in Range 21 west of the Principal Meridian, and between the north and south halves of said Section 8, and of Section 9 in the same Township.
3. The road allowances adjoining certain lands formerly set apart as Indian Reserves (but since surrendered) in Section 36, in Township 33, in Range 6 west of the 3rd Meridian, in the north-west quarter of Section 11, in Township 34, in the same Range, and in the east half of Section 12 in the same Township.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of September, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 3rd September, 1898, from the Minister of the Interior, stating that on the 27th April, 1891, His Honour the then Lieutenant-Governor of the North-west Territories, made a requisition to the then Minister of the Interior, for the survey of the old travelled trail from Guardepuis crossing on the South Saskatchewan River, through the settlements of St. Laurent, Batoche and Fish Creek South to Saskatoon, along the East bank of the South Saskatchewan River, under the provisions of section 108 of The North-west Territories Act. The authority of His Excellency the Governor General in Council, for the survey and transfer of this trail, was not at that time given.

Notwithstanding this fact, the then Lieutenant-Governor of the Territories would appear to have been impressed with the necessity for the opening up of this trail, and he authorized the survey which was made and completed by Mr. J. Lestock Reid, D.L.S., in the year 1891. The assent of Your Excellency to the confirmation of the survey of this trail and its transfer to the Territories is now asked.

The Minister, therefore, recommends that under the powers conferred by clause 19 of chapter 28 of the Act 60-61 Victoria, the assent of Your Excellency to the survey and transfer to the Territories of this said trail be given.

The Committee submit the above recommendation for Your Excellency's approval.

The lights are fixed red lights, shown from tubular lanterns hoisted on masts. The masts are made conspicuous as day beacons by having attached to each mast a diamond-shaped target 8 feet square painted white with a vertical black stripe one foot wide extending down through the middle of the target. The centre of the front target is elevated 8 feet above the surface of the water and the centre of the rear target is 19½ feet above the surface of the water.

The front range target stands upon the shore, 1696 feet S. 53° 31' E. from Bois Blanc Island lighthouse.

Lat. N. 42° 5' 7"
Long. W. 83° 6' 23"

The rear target is distant 309 feet S. 4° 10' E. from the front one. The two lights or targets in one, ranging S. 4° 10' show the best water between Bois Blanc island and Amherstburg from the alignment of the range lights on the head of Bois Blanc island, the alignments intersecting at a distance of 1828 feet from the front light on Bois Blanc island, down to the alignment of the Amherstburg private range lights, the alignments intersecting at a distance of 2675 feet from the front light of the Amherstburg range.

This notice affects Admiralty charts Nos. 332, 333, 490 and 678, and the substance of it should be entered in the Canadian List of Lights and Fog Signals between Nos. 964 and 965.

The first or most southerly of the seven buoys is distant 4090 feet N. 5° 35' E. from Detroit river (American) lighthouse.

The 2nd buoy is distant 1180 feet N. 10° 55' E. from the 1st buoy.

The 3rd buoy is distant 1290 feet N. 10° 55' E. from the 2nd buoy.

The 7th buoy is distant 1590 feet N. 10° 55' E. from the 6th buoy.

These positions place the buoys 400 feet west of the line joining Bois Blanc island (Canadian) and Detroit river (American) lighthouses.

NOTICE TO MARINERS.

No. 66 of 1898.

DOMINION OF CANADA—NOVA SCOTIA.

BUOYAGE ON ATLANTIC COAST.

I. Buoy on Middle ground shoal, Halifax.

An iron can buoy, surrounded by a spherical slatwork cage, the whole painted in alternate black and red horizontal bands, was, on the 14th instant, established by the Government of Canada to mark the middle ground between Meagher beach and Pleasant point, in the approach to Halifax, Nova Scotia.

Lat. N. 44° 36' 28"
Long. W. 63° 32' 30"

The buoy is moored in six fathoms water, immediately south of the shoal, and should be given a berth of ½ cable on either side by vessels of heavy draught, in order to avoid the 4½ fathom patch.

This notice affects Admiralty charts Nos. 311, 729, 2320 and 2410.

II. Removal of South-west breaker bell buoy to Port Medway fairway.

It is the intention of the Government of Canada to remove the bell buoy at present moored off the Southwest breaker, entrance to Port Medway, Atlantic coast of Nova Scotia, to a position in about 14 fathoms of water, 1¾ miles S. S. W. from the breaker.

Lat. N. 44° 3' 15"
Long. W. 64° 31' 25"

In its new position it will be painted in alternate white and black vertical stripes, with the words "Port Medway" on the side, and will serve as a fairway buoy for entering Port Medway. From the buoy a N. ¾ E. course will lead clear of the south-west breaker up through the channel to the iron can buoy off Neil point, 4½ miles distant.

III. Conical buoy on South-west breaker.

An iron conical buoy, painted red, with "S. W. breaker" in white letters on its side, will be moored in the position formerly occupied by the bell buoy, ¼ mile S. W. from the shoal.

IV. Can buoy off Neil point.

A black iron can buoy will be moored outside the point of the flats off Neil point, in the same entrance at a distance of 2⅞ miles N. ¼ E. from the South-west breaker buoy.

A black iron can buoy was moored in this position in 1888 (see Notice to Mariners No. 35 of 1888), but it was afterwards carried away and replaced by a spar buoy. The can buoy which is now to be moored will take the place of the spar buoy.

These changes will be made about the first week in November, and unless the present arrangements are modified, no further notice of their completion will be given.

The changes affect Admiralty charts Nos. 342 and 730.

After passing Spruce Island shoal gas buoy, vessels entering the sound should shape their course to leave Carling rock lighthouse at least 600 feet on the starboard hand. There is rock with 16 feet of water on it 425 feet N. 40° E. from the lighthouse, which is or will be marked by a spar buoy.

This notice affects Admiralty charts Nos 327, 678 and 1731, Georgian Bay Pilot, Supplement, 1893, and Canadian List of Lights and Fog Signals No. 1039.

(4.) A shoal, with 16 feet of water on it, 425 feet N. 40° E. from Carling rock lighthouse.

Some of these shoals have already been marked by spar buoys. Those not so marked will be buoyed on the opening of navigation next spring.

NOTICE TO MARINERS.

No. 68 of 1898.

DOMINION OF CANADA—ONTARIO.

I. ADDITIONAL BUOYS IN DETROIT RIVER.

The Government of Canada, on the 3rd instant, established seven black spar buoys on the west side of the dredged channel off Bar point, at the mouth of Detroit River, Lake Erie, Ontario.

The axis of the channel in question lies in the straight line joining Bois Blanc Island (Canadian) lighthouse and Detroit River (U.S.A.) lighthouse. This channel has been dredged by the U. S. Government to a width of 800 feet, with a depth of 21 feet.

No particulars of the positions of the black spar buoys have yet been received, but they are approximately opposite the red buoys. Three of them have been moved in from where they marked the west edge of the old shallower and wider channel, and four of them are new buoys.

This notice affects Admiralty chart No. 490.

II. BUOYS IN SOUTH BAY ENTRANCE.

Four buoys have been placed for the Government of Canada by Mr. W. J. Stewart, in charge of the Hydrographic survey of Lake Huron, at the entrance to South Bay or Manitoulin Gulf, Manitoulin Island, Lake Huron, Ontario, as follows:—

(1) A red spar buoy in 25 feet water, S. 23° W., 6,600 feet from the outer range light, and S. 80° W., 600 feet from a spot with 15 feet water on it. It is also 850 feet E.S.E. of the line of range. On the west and south sides the buoys may be passed close to, but vessels passing to the north-eastward should give it a berth of at least 1,000 feet.

(2) A black spar buoy, to mark the end of Scotchie shoal, in 18 feet water, close to a spot with only four feet on it. The buoy is situated S. 40° W., 2,350 feet from the outer range light, and 400 feet W.N.W. of the line of the range. It may be passed at a distance of 100 feet on its east side.

(3) A red spar buoy S. 15° W., 750 feet from the same light, and 135 feet E.S.E. of the line of range. The buoy is in 14 feet water, 200 feet west from a 9-foot rock. As a spit with 17 feet water on it extends 150 feet farther to the south-westward a master should take care to be exactly in the line of range whilst passing here.

(4) A black spar buoy, in 18 feet water S. 55° E., 400 feet from the same light, marks the south end of the shoal water from the village point.

Vessels entering the harbour on the line of range should, as soon as the inner red buoy is abeam, haul sharply to N. 70° E. to pass between the red and black buoys (rather nearer the latter), and afterwards keep in mid-channel.

Vessels cannot tie up at the wharf, but will find excellent anchorage in from 6 to 9 fathoms at any place from a quarter of a mile above the wharf.

This notice affects Admiralty charts Nos. 519 and 678.

III. Dangerous wreck in River St. Mary.

The United States Hydrographer gives notice that the lighter "Monitor," laden with iron ore, foundered on 25th September, 1898, just above Pointe aux Pins, to the eastward of the red gas buoy (Middle Ground No. 68), and close to. She lies directly in the channel, with the top of her cabin awash and the derrick upright and out of the water. She is an obstruction to navigation, and no arrangements have been made for her removal.

For the present a white lantern light will be displayed from the derrick head to mark the wreck.

This notice affects Admiralty charts Nos. 320 and 324.

Deputy-Minister of Marine and Fisheries.

I. Temporary Range Light at Port Dalhousie

A lighthouse tower is in course of construction at Port Dalhousie, Lake Ontario end of the Welland Canal, to replace the back range lighthouse destroyed by lightning in August last. (See Notice to Mariners No. 41 of 1898.) The new tower stands on the shore line immediately east of the line of the breakwater, 1,500 feet inside the front range light, in the same alignment as the old range.

Pending the completion of the new tower, a fixed red light will be shown from the framework of the new building, at an elevation of 50 feet above the level of the lake. The permanent light in the new tower will be a revolving or occulting white light but will not be put in operation before the opening of navigation next spring.

This notice affects Admiralty charts Nos. 336, 797 and 1,152, and Canadian List of Lights and Fog Signals No. 931.

II. Wreck on the Bay of Quinté.

The barge "Puritan" has sunk in about 20 feet water, in the main channel of the Bay of Quinté, about one quarter of a mile S. by W. ½ W. from Deseronto light. Her mast shows above water and a light is shown from it at night. A spar buoy is also being moored to draw attention to the position of the wreck.

This notice affects Admiralty charts Nos. 797, 1,152 and 2,961.

NOTICE TO MARINERS.

No. 70 of 1898.

DOMINION OF CANADA—BRITISH COLUMBIA.

Aids to navigation in Victoria Harbour.

1. The positions of the two small harbour lights exhibited from pile beacons in Victoria harbour, Vancouver Island, British Columbia, are incorrectly shown on the existing Admiralty charts. Shoal point beacon light is on the starboard or south side of the channel, at the outer edge of the reef extending north from Shoal point, at the point where a red beacon is marked on the charts. There is no beacon of any kind where the lighted beacon is shown on the charts on the north side of the channel.

2. Pin rock beacon light will hereafter be called "Middle rock beacon light." The cluster of piles from which it is shown stands 70 feet S.E. by E. from Middle rock. Pin rock was removed by dredging to a least depth of 13 feet some years ago, and the beacon never stood near the position formerly occupied by that obstruction.

3. Beaver and Pinnacle rocks, off Songheis point, have been removed by dredging, and their names should be removed from the charts.

4. The spit shown outside the end of Brackman and Ker's wharf has been removed by dredging to a least depth of 13 feet. From Brackman and Ker's wharf to Laurel point there is now a channel with a least width of 400 feet and a least depth of 13 feet.

5. A beacon consisting of the frustum of a cone in steel, filled with concrete, has been erected on the shoalest part of Brotchy ledge, at the entrance to Victoria harbour, near the spot formerly occupied by the wreck of the "San Pedro," which has been entirely removed. It is proposed to light this beacon electrically, and a full description of it will be given when the installation is complete.

This notice affects Admiralty chart Nos. 576, 1897*b*, 2687 and 2840; British Columbia Pilot, 1898, pages 80 to 82; and Canadian List of Lights and Fog Signals Nos. 1169 and 1170.

Improvements in Ship Channel, River St. Lawrence.

I. Barre à Boulard Cut completed and buoyed.

The Department of Public Works of Canada have completed the dredging of the cut through Barre à Boulard, Richelieu Rapids, in the ship channel between Quebec and Montreal, to a width of 500 feet and a least depth of 27½ feet. The alignment of the day beacons on the hill at the Platon passes through this cut parallel with its sides but only 200 feet from the north edge. Range light buildings are under construction by the Department of Marine and Fisheries in the axis of the cut, 50 feet southward of the alignment of the beacons. The upper and lower extremities of the south edge of the cut are being marked by black can buoys moored in 30 feet of water on the following angles:—

Lower buoy:—

Deschambault church south spire,	96° 50'
Richelieu Islet lighthouse	46° 25'

Upper buoy :—

II. Removal of patches and rearrangement of buoys.

The Department of Public Works have removed several shoal spits and isolated patches near the line of the ship channel, thereby widening and improving the channel, as follows :—

(1.) The south point of the shoal extending into the ship channel from the north opposite the mouth of Batiscan river, and on the opposite side of the channel from black spar buoy No. 33B. This point has been dredged to a depth of 29 feet at low water, 1898, and to a width of 330 feet from the alignment marked by the edge of the pine trees in one with Batiscan church spire. Black spar buoy No. 33B, showing the south limit of the channel in this vicinity is 260 feet south-east of the same alignment.

(2.) The north end of the spit marked by black spar buoy No. 56, in the stretch between Cape Madeleine upper range lights and Cape Madeleine day beacons, the north end of a small isolated patch between buoys Nos. 56 and 57, and the whole of the small isolated patch marked by buoy No. 57 have been dredged to a depth of 28½ feet at the low water of 1898. These changes will give a channel with a least width of 500 feet at the turn at the upper end of Becancour traverse. To better mark the improved channel black spar buoy No. 56 will be moved 250 feet S. 38° W., and black spar buoy No. 57 will be moved 630 feet S. 63° W. from their present positions.

(3.) The channel opposite Cape Madeleine village has been widened by the removal of the north point of the spit opposite Cape Madeleine church, marked by black spar buoy No. 57*a*, the removal of the small isolated patch next south-west of that buoy, and the removal of the patch opposite Pointe des Chenaux, marked by black spar buoy No. 57*b*, to a depth of 28½ feet, low water, 1898. In consequence of these improvements, black spar buoy No. 57*a* will be moved to a new position 100 feet S. 43½° E. from its present position, and black spar buoy No. 57*b* will be moved to a new position 940 feet S. 42° W. from its present position.

(4.) The four buoys to be moved as above mentioned will be set upon the following sextant angles :—

III. Widening of channel opposite Montreal.

The Montreal Harbour Commissioners have gradually widened the ship channel in front of the city of Montreal, between Victoria pier and the Lachine Canal entrance, until it is now 500 feet in clear width at the Island wharf, 800 feet opposite the Dominion line berths, and 670 feet at the outermost projecting point of Victoria pier. In consequence of these improvements it is necessary to move the five black spar buoys in the basin to show the edge of the deep water. The new positions of the buoys affected will be as follows :—

Black spare buoy No. 202, opposite the head of Victoria pier, moved 295 feet S. 68° E. to a new position marked by the following angles :—

Black spar buoy No. 206, moved to a new position in line with the lower end of the canal piers and 160 feet from the outer corner of the same.

This notice affects Admiralty Charts Nos. 1127, 2778, 2779, 2781, 2788 and 2830*b*, sheets 1 and 2; Montreal Harbour Commissioners' ship channel charts Nos. 1, 12, 14, 16 and 17, and St. Lawrence Pilot, 1894, vol. I, page 337 and following pages.

NOTICE TO MARINERS.

No. 72 of 1898.

DOMINION OF CANADA—QUEBEC.

STE. EMÉLIE RANGE LIGHTS.

In 1880, two lighthouse towers were erected by the Government of Canada at Ste. Emélie, in the County of Lotbinière, Province of Quebec, which in one mark the axis of the 27½-foot dredged channel between Cap Charles and Cap à la Roche. The lights in these towers were put in operation for the first time on the 26th ultimo.

The front range building stands on the south side of the highway running along the top of the cliff on the south shore of the River St. Lawrence, and is situated about midway between the mouth of Grande Rivière du Chêne and the mouth of Petite Rivière du Chêne. At the site, the river bank rises steeply to a height of about 80 feet, and the top of the bank is clear, level, cultivated land.

Lat.	N.	46°	33'	40"
Long.	W.	72°	1'	0"

The tower is a square wooden building, with sloping sides, surmounted by a square galvanized lantern, and is 30 feet in height from its base to the ventilator on the lantern. It is painted white, with a red stripe down the middle of the west side, facing the channel. The light is a fixed white light, elevated 114 feet above high water mark, and should be visible 16 miles from all points of approach by water. The illuminating apparatus is catoptric.

The back range light tower is similar to the front building, and stands on a gentle rise backed by woods, 3,420 feet S. 70° 30' E. from the front tower. The light is a fixed white catoptric light, elevated 131 feet above high water mark, and should be visible 16 miles in and over a small arc on each side of the line of range.

The two lights in one, bearing N. 70° 30' W., lead midway between the red and black buoys, from the curve at Cap Charles to the curve at Cap à la Roche. The channel marked by this range is 300 feet wide, with a least depth of 27½ feet at extreme low water.

This notice affects Admiralty charts Nos. 797, 2779 and 2830*a* ; Montreal Ship Channel chart No. 15 ; and Canadian List of Lights and Fog Signals Nos. 689 and 690.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 10e jour d'octobre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il appert qu'en arpentant les townships dans le Manitoba et les Territoires du Nord-Ouest, les arpenteurs ont l'ordre de laisser des réserves de chemins de la même largeur que les chemins sectionnels adjacents, le long des bornes des réserves des Sauvages, des établissements formés de lots riverains et des terrains disposés autrement qu'en sections, ces chemins étant généralement commodes et dans bien des cas indispensables pour donner accès à quelques-uns des quarts de sections ; et

Considérant qu'il est à propos de pourvoir à des réserves pour chemins dans ces cas,—

A ces causes il plaît à Son Excellence, en vertu des dispositions de "l'Acte des terres fédérales," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'autoriser la mise à part de réserves pour chemins en la manière ci-dessus mentionnée dans la province du Manitoba et dans les Territoires du Nord Ouest.

Il plaît aussi à Son Excellence de confirmer et approuver la mise à part et le tracé des réserves et des chemins qui ont déjà été mis à part et tracés en la manière ci-dessus décrite dans la province du Manitoba et dans les Territoires du Nord-Ouest, sauf et excepté les suivants :—

1. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages, mais qui depuis ont été rétrocédés dans les townships 43 et 44 du rang 5 à l'ouest du troisième méridien.

2. Les réserves de chemins entre les moitiés est et ouest de la section 8 du township 18, rang 21 à l'ouest du principal méridien, et entre les moitiés nord et sud de la dite section 8, et de la section 9 dans le même township.

3. Les réserves de chemins adjoignant certains terrains autrefois mis à part comme réserves des Sauvages (mais rétrocédés depuis) dans la section 36, township 33, rang 6 à l'ouest du troisième méridien, dans le quart nord-ouest de la section 11, township 34, même rang, et dans la moitié est de la section 12 du même township.

AVIS AUX MARINS.

No. 74 de 1898.

PUISSANCE DU CANADA—QUÉBEC.

(Division des phares d'Ontario.)

I.—PHARE D'OKA.

Un phare établi par le gouvernement du Canada sur la Pointe du Lac, ou Sandy Point, 1⅛ mille en amont du village d'Oka, lac des Deux-Montagnes (système de navigation au bas de l'Outaouais) a été mis en opération le 4 du courant.

Lat. N. 45° 28' 0"
Long. O. 74° 9' 40"

La tour est un bâtiment carré en bois avec murs en pente, surmonté d'une lanterne carrée en bois, et est peinturé en blanc partout. Elle a 28 pieds de hauteur depuis sa base jusqu'au ventilateur sur la lanterne. Elle est assise sur une pile en caisson haute de 6 pieds, construite sur l'extrémité de la pointe, immédiatement au-dessous de la marque des hautes eaux, et au pied de la haute terre.

Le feu est blanc fixe, à 30 au-dessus de l'étiage du lac, et devrait être visible à 8 milles de tous les points d'approche. L'appareil éclairant est dioptrique, du 7e ordre.

Ces avis concerne les cartes de l'Amirauté Nos 259a et 797, et devrait être inséré en substance dans la Liste des phares et signaux de brume canadiens sous le No. 805.

II.—CHANGEMENTS DANS LES FEUX D'ALIGNEMENT DE STE-PLACIDE.

Les secteurs coloriés décrits dans la Partie I de l'Avis aux Marins No. 62 de 1896, destinés à marquer le chenal descendant conduisant au quai de Ste-Placide, lac des Deux-Montagnes, ont été enlevés du phare d'alignement d'avant, et le feu maintenant exhibé est blanc fixe en remontant et en descendant.

Un nouveau feu établi le 5 du courant, est aujourd'hui exhibé de la balise de jour établi en 1896, lequel, lorsqu'il ne forme qu'un avec le feu d'avant, commun aux deux alignements, conduit dans la tranchée d'aval.

C'est un feu blanc fixe, à 48 pieds au-dessus de l'étiage du lac, et devrait être visible à trois milles dans l'alignement. Il est exhibé d'une petite lanterne attachée au mât de la balise de jour, et est éloigné de 340 pieds N. ¼ O. du feu d'avant.

Cet avis concerne les cartes de l'Amirauté Nos. 259a et 797, et la Liste des phares et signaux de brume canadiens No. 807.

AMÉLIORATIONS AU CHENAL DES NAVIRES, FLEUVE SAINT-LAURENT.

I. Tranchée de la Barre à Boulard complétée et balisée.

Le département des Travaux Publics du Canada a complété le dragage de la tranchée à travers la Barre à Boulard, rapides Richelieu, dans le chenal des navires entre Québec et Montréal, sur une largeur de 500 pieds et une profondeur minimum de 27½ pieds. L'alignement des balises de jour sur le coteau au Platon passé dans cette tranchée parallèment à ses côtés mais à 200 pieds seulement du bord nord. Les bâtiments des feux d'alignement sont en voie de construction par le Ministère de la Marine et des Pêcheries dans l'axe de la tranchée, 50 pieds au sud de l'alignement des balises. Les extrémités d'amont et d'aval du bord sud de la tranchée sont en voie d'être marquées par des bouées-boîtes noires ancrées dans 30 pieds d'eau avec les angles ci-dessous :—

II. Enlèvement des battures et réarrangement des bouées.

Le département des Travaux Publics a enlevé plusieurs hauts-fonds et battures isolées près de la ligne du chenal des navires, élargissant et améliorant aussi le chenal comme suit :—

(1.) La pointe sud de la batture qui s'avance du nord dans le chenal des navires vis-à-vis l'embouchure de la rivière Batiscan, et, du côté opposé du chenal, de la bouée-espars noire No. 33B. Cette pointe a été draguée jusqu'à une profondeur de 29 pieds à l'eau basse, 1898, et jusqu'à une largeur de 330 pieds depuis l'alignement marqué par le bord des pins en ligne avec la flèche de l'église de Batiscan. La bouée-espars noire No. 33B, qui indique la limite sud du chenal à cet endroit, est à 260 pieds au nord-est du même alignement.

(2.) L'extrémité nord de la pointe de terre marquée par la bouée-espars noire No. 56, dans le bief entre les feux d'alignement d'amont du Cap Madeleine et les balises de jour du Cap Madeleine, l'extrémité nord d'une petite batture isolée entre les bouées Nos. 56 et 57, et toute la petite batture isolée marquée par la bouée No. 57, ont été draguées jusqu'à une profondeur de 28½ pieds à l'eau basse de 1898. Ces changements donneront un chenal d'une largeur minimum de 500 pieds au coude à l'extrémité d'amont de la traverse de Bécancour. Afin de mieux indiquer le chenal amélioré la bouée-espars noire No. 56 sera reculée de 250 pieds S. 38° O., et la bouée-espars noire No. 57 sera reculée 630 pieds S. 63° O. de leurs positions actuelles.

(3.) Le chenal vis-à-vis le village du Cap Madeleine a été élargi en faisant disparaître la pointe nord de la batture vis-à-vis l'église de Cap Madeleine, marquée par la bouée-espars noire No. 57*a*, en faisant disparaître l'autre petite batture isolée au sud-ouest de cette bouée, et en faisant disparaître la batture vis-à-vis la Pointe-des-Chenaux marquée par la bouée-espars noire No. 57*b*, jusqu'à une profondeur de 28½ pieds, eau basse, 1898. A cause de ces améliorations, la bouée-espars noire No. 57*a* sera reculée à une nouvelle position à 100 pieds S. 43½° E. de sa position actuelle, et la bouée-espars noire No. 57*b* sera reculée à une nouvelle position à 940 pieds S. 42° O. de sa position actuelle.

(4.) Les quatre bouées qui seront déplacées comme susdit, seront posées avec les angles suivants :—

III. Elargissement du chenal vis-à-vis de Montréal.

Les Commissaires du havre de Montréal ont graduellement élargi le chenal des navires vis-à-vis la cité de Montréal, entre la jetée Victoria et l'entrée du canal Lachine, de façon qu'il a aujourd'hui 500 pieds de largeur au quai de l'Ile, 800 pieds vis-à-vis les quais de la ligne Dominion, et 670 pieds à l'extrémité de la jetée Victoria. En conséquence de ces améliorations il est nécessaire de reculer les cinq bouées-espars noires dans le bassin pour indiquer le bord de l'eau profonde. Les nouvelles positions des bouées déplacées seront comme suit :

AVIS AUX MARINS.

No. 72 de 1898.

PUISSANCE DU CANADA—QUÉBEC.

FEUX D'ALIGNEMENT DE SAINTE-ÉMÉLIE.

En 1880, deux tours de phare furent érigées par le gouvernement du Canada à Sainte-Emélie, dans le comté de Lotbinière, province de Québec, lesquels l'un dans l'autre marquent l'axe du chenal dragué de 27½ pieds entre Cap-Charles et Cap à la Roche. Les feux dans ces tours fonctionnèrent pour la première fois le 26 ultimo.

Le bâtiment du feu d'avant est sis sur le côté sud du grand chemin courant le long de la falaise sur la rive sud du fleuve Saint-Laurent, et est à mi-chemin entre l'embouchure de la Grande rivière du Chêne et l'embouchure de la Petite rivière du Chne. A l'emplacement la berge de la rivière s'élève abruptement à une hauteur d'environ 80 pieds, et le sommet de la berge est un terrain net, uni et cultivé.

Lat. N. 46° 33' 40"
Long. O. 72° 1' 0"

La tour est une construction en bois carrée, avec côtés en pente, surmontée d'une lanterne carrée en fer galvanisé, et a 30 pieds de hauteur de sa base au ventilateur sur la lanterne. Elle est peinturée en blanc, avec une bande rouge descendant au centre du côté ouest, faisant face au chenal. Le feu est blanc fixe, à 114 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 16 milles de tous les points d'approche par eau. L'appareil d'éclairage est catoptrique.

La tour du feu d'arrière est semblable à celle d'avant, et est sise sur une légère élévation de terrain avec bois à l'arrière-plan, à 3,420 pieds S. 70° 30' E. de la tour d'avant. Le feu est blanc fixe catoptrique, à 131 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 16 milles dans un petit rayon de chaque côté de l'alignement.

Les deux feux l'un dans l'autre, N. 70° 30' O, guident entre les bouées rouge et noire, depuis la courbe au Cap Charles à la courbe au Cap à la Roche. Le chenal marqué par cet alignement est large de 300 pieds, avec une profondeur minimum de 27½ pieds à l'eau basse externe.

Cet avis concerne les cartes de l'Amirauté Nos. 797, 2779 et 2830*a* ; la carte du chenal des navires de Montréal, No. 15 ; et la Liste de phares et signaux de brume canadiens, Nos. 689 et 690.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

Greffier du Sénat.

49. (*c.*) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

ORDRE PERMANENT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b.* Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

ARTICLE X.

A criminal fugitive may be apprehended under a warrant issued by any Police Magistrate, Justice of Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of Peace, or other competent authority, exercises juridiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall, in accordance with this Article, be discharged, as well in the Republic of Chile as in the United Kingdom, if within the term of ninety days a requisition for extradition shall not have been made by the Diplomatic Agent of his country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed in the high seas on board any vessel of either country which may come into a port of the other.

ARTICLE XI.

The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to; and no criminal shall be surrendered until the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of a conviction, provided the same are authenticated as follows:—

1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.

4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken, may be substituted for the foregoing.

ARTICLE XIII.

If the individual claimed by one of the high contracting parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to the State whose demand is earliest in date.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the colonies and foreign possessions of Her Britannic Majesty, so far as the laws in such colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such colonies or foreign possessions shall be made to the Governor or chief authority of such colony or possession by the chief consular officer of the Republic of Chile in such colony or possession.

Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Chilean criminals, who may take refuge within such colonies and foreign possessions, on the basis, so far as the law of such colony or foreign possession will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any colony or foreign possession of Her Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties by a notice not exceeding one year, and not less than six months.

It shall be ratified, after receiving the approval of the Congress of the Republic of Chile, and the ratifications shall be exchanged at Santiago as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and affixed thereto their respective seals.

Done at Santiago, the twenty-sixth day of January, in the year 1897.

[L.S.] J. G. KENNEDY,
[L.S] C. MORLA VICUNA.

And whereas the ratifications of the said Treaty were exchanged at Santiago, on the fourteenth day of April, one thousand eight hundred and ninety-eight.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the twenty-second day of August, one thousand eight hundred and ninety-eight, the said Acts shall apply in the case of Chile, and of the said Treaty with the President of the Republic of Chile.

Provided always that the operation of the said Acts shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in 1886, and entitled, "An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 3rd September, 1898, from the Minister of the Interior, stating that on the 27th April, 1891, His Honour the then Lieutenant-Governor of the North-west Territories, made a requisition to the then Minister of the Interior, for the survey of the old travelled trail from Guardepuis crossing on the South Saskatchewan River, through the settlements of St. Laurent, Batoche and Fish Creek South to Saskatoon, along the East bank of the South Saskatchewan River, under the provisions of section 108 of The North-west Territories Act. The authority of His Excellency the Governor General in Council, for the survey and transfer of this trail, was not at that time given.

The Committee submit the above recommendation for Your Excellency's approval.

The light will be a fixed red light, elevated 107 feet above high water mark, and should be visible 10 miles in the line of range. The illuminating apparatus is catoptric.

These two lights brought in one after a vessel has passed inside of Berry head, and kept in one, N. 33° E., will lead into Cole harbour to the westward and clear of Topstone ledge and Seal rocks.

DOMINION OF CANADA—BRITISH COLUMBIA.

Aids to navigation in Victoria Harbour.

1. The positions of the two small harbour lights exhibited from pile beacons in Victoria harbour, Vancouver Island, British Columbia, are incorrectly shown on the existing Admiralty charts. Shoal point beacon light is on the starboard or south side of the channel, at the outer edge of the reef extending north from Shoal point, at the point where a red beacon is marked on the charts. There is no beacon of any kind where the lighted beacon is shown on the charts on the north side of the channel.

2. Pin rock beacon light will hereafter be called "Middle rock beacon light." The cluster of piles from which it is shown stands 70 feet S.E. by E. from Middle rock. Pin rock was removed by dredging to a least depth of 13 feet some years ago, and the beacon never stood near the position formerly occupied by that obstruction.

3. Beaver and Pinnacle rocks, off Songheis point, have been removed by dredging, and their names should be removed from the charts.

4. The spit shown outside the end of Brackman and Ker's wharf has been removed by dredging to a least depth of 13 feet. From Brackman and Ker's wharf to Laurel point there is now a channel with a least width of 400 feet and a least depth of 13 feet.

5. A beacon consisting of the frustum of a cone in steel, filled with concrete, has been erected on the shoalest part of Brotchy ledge, at the entrance to Victoria harbour, near the spot formerly occupied by the wreck of the "San Pedro," which has been entirely removed. It is proposed to light this beacon electrically, and a full description of it will be given when the installation is complete.

This notice affects Admiralty chart Nos. 576, 1897*b*, 2687 and 2840; British Columbia Pilot, 1898, pages 80 to 82; and Canadian List of Lights and Fog Signals Nos. 1169 and 1170.

I. Barre à Boulard Cut completed and buoyed.

The Department of Public Works of Canada have completed the dredging of the cut through Barre à Boulard, Richelieu Rapids, in the ship channel between Quebec and Montreal, to a width of 500 feet and a least depth of 27½ feet. The alignment of the day beacons on the hill at the Platon passes through this cut parallel with its sides but only 200 feet from the north edge. Range light buildings are under construction by the Department of Marine and Fisheries in the axis of the cut, 50 feet southward of the alignment of the beacons. The upper and lower extremities of the south edge of the cut are being marked by black can buoys moored in 30 feet of water on the following angles:—

Lower buoy:—

II. Removal of patches and rearrangement of buoys.

The Department of Public Works have removed several shoal spits and isolated patches near the line of the ship channel, thereby widening and improving the channel, as follows :—

(1.) The south point of the shoal extending into the ship channel from the north opposite the mouth of Batiscan river, and on the opposite side of the channel from black spar buoy No. 33B. This point has been dredged to a depth of 29 feet at low water, 1898, and to a width of 330 feet from the alignment marked by the edge of the pine trees in one with Batiscan church spire. Black spar buoy No. 33B, showing the south limit of the channel in this vicinity is 260 feet south-east of the same alignment.

(2.) The north end of the spit marked by black spar buoy No. 56, in the stretch between Cape Madeleine upper range lights and Cape Madeleine day beacons, the north end of a small isolated patch between buoys Nos. 56 and 57, and the whole of the small isolated patch marked by buoy No. 57 have been dredged to a depth of 28½ feet at the low water of 1898. These changes will give a channel with a least width of 500 feet at the turn at the upper end of Becancour traverse. To better mark the improved channel black spar buoy No. 56 will be moved 250 feet S. 38° W., and black spar buoy No. 57 will be moved 630 feet S. 63° W. from their present positions.

(3.) The channel opposite Cape Madeleine village has been widened by the removal of the north point of the spit opposite Cape Madeleine church, marked by black spar buoy No. 57*a*, the removal of the small isolated patch next south-west of that buoy, and the removal of the patch opposite Pointe des Chenaux, marked by black spar buoy No. 57*b*, to a depth of 28½ feet, low water, 1898. In consequence of these improvements, black spar buoy No. 57*a* will be moved to a new position 100 feet S. 43½° E. from its present position, and black spar buoy No. 57*b* will be moved to a new position 940 feet S. 42° W. from its present position.

(4.) The four buoys to be moved as above mentioned will be set upon the following sextant angles :—

DOMINION OF CANADA—QUEBEC.

Ste. Emélie Range Lights.

In 1880, two lighthouse towers were erected by the Government of Canada at Ste. Emélie, in the County of Lotbinière, Province of Quebec, which in one mark the axis of the 27½-foot dredged channel between Cap Charles and Cap à la Roche. The lights in these towers were put in operation for the first time on the 26th ultimo.

The front range building stands on the south side of the highway running along the top of the cliff on the south shore of the River St. Lawrence, and is situated about midway between the mouth of Grande Rivière du Chêne and the mouth of Petite Rivière du Chêne. At the site, the river bank rises steeply to a height of about 80 feet, and the top of the bank is clear, level, cultivated land.

Lat. N. 46° 33' 40"
Long. W. 72° 1' 0"

The tower is a square wooden building, with sloping sides, surmounted by a square galvanized lantern, and is 30 feet in height from its base to the ventilator on the lantern. It is painted white, with a red stripe down the middle of the west side, facing the channel. The light is a fixed white light, elevated 114 feet above high water mark, and should be visible 16 miles from all points of approach by water. The illuminating apparatus is catoptric.

The back range light tower is similar to the front building, and stands on a gentle rise backed by woods, 3,420 feet S. 70° 30' E. from the front tower. The light is a fixed white catoptric light, elevated 131 feet above high water mark, and should be visible 16 miles in and over a small arc on each side of the line of range.

The two lights in one, bearing N. 70° 30' W., lead midway between the red and black buoys, from the curve at Cap Charles to the curve at Cap à la Roche. The channel marked by this range is 300 feet wide, with a least depth of 27½ feet at extreme low water.

This notice affects Admiralty charts Nos. 797, 2779 and 2830*a* ; Montreal Ship Channel chart No. 15 ; and Canadian List of Lights and Fog Signals Nos. 689 and 690.

I. Elliott Point range lights.

Information has reached this Department to the effect that two range lights have been established and are maintained by the Lake Carriers' Association at Elliott point, on the east bank of the river Detroit, opposite Bois Blanc Island lighthouse, in the South Riding of Essex, Ontario.

The lights are fixed red lights, shown from tubular lanterns hoisted on masts. The masts are made conspicuous as day beacons by having attached to each mast a diamond-shaped target 8 feet square painted white with a vertical black stripe one foot wide extending down through the middle of the target. The centre of the front target is elevated 8 feet above the surface of the water and the centre of the rear target is 19½ feet above the surface of the water.

The front range target stands upon the shore, 1696 feet S. 53° 31' E. from Bois Blanc Island lighthouse.

Lat. N. 42° 5' 7"
Long. W. 83° 6' 23"

The rear target is distant 309 feet S. 4° 10' E. from the front one. The two lights or targets in one, ranging S. 4° 10' show the best water between Bois Blanc island and Amherstburg from the alignment of the range lights on the head of Bois Blanc island, the alignments intersecting at a distance of 1828 feet from the front light on Bois Blanc island, down to the alignment of the Amherstburg private range lights, the alignments intersecting at a distance of 2675 feet from the front light of the Amherstburg range.

This notice affects Admiralty charts Nos. 332, 333, 490 and 678, and the substance of it should be entered in the Canadian List of Lights and Fog Signals between Nos. 964 and 965.

II. Positions of black spar buoys at Bar point.

Referring to Part I of Notice to Mariners No. 68 of 1898, the positions of the seven black spar buoys showing the west side of the dredged channel off Bar point, at the mouth of the river Detroit, are as follows :—

The first or most southerly of the seven buoys is distant 4090 feet N. 5° 35' E. from Detroit river (American) lighthouse.

The 2nd buoy is distant 1180 feet N. 10° 55' E. from the 1st buoy.

The 3rd buoy is distant 1290 feet N. 10° 55' E. from the 2nd buoy.

The 4th buoy is distant 1060 feet N. 10° 55' E. from the 3rd buoy.

The 5th buoy is distant 1055 feet N. 10° 55' E. from the 4th buoy.

The 6th buoy is distant 1585 feet N. 10° 55' E. from the 5th buoy.

The 7th buoy is distant 1590 feet N. 10° 55' E. from the 6th buoy.

These positions place the buoys 400 feet west of the line joining Bois Blanc island (Canadian) and Detroit river (American) lighthouses.

Variation in 1898, 1° 5' W.

III. Gas buoy on Hillcrest shoal.

The United States Hydrographic Office have given notice of the establishment of a gas buoy, presumably by the Government of the United States of America, off the southeast end of the rock in the St. Lawrence River opposite Hillcrest, near the upper end of the narrows west of Brock Group, Thousand Islands, and 250 feet from the Canadian mainland.

Lat. N. 44° 33' 0"
Long. W. 75° 43' 42"

The buoy is coloured red, and is moored in 16 feet water. The best channel is southeast of the buoy. The light is a fixed white light varied by white flashes every 10 seconds.

This notice affects Admiralty charts Nos. 259*b*, 797, and 2789*g* and *h* ; and the substance of it should be inserted in the Canadian List of Lights and Fog Signals under the No. 855.

DÉPÊCHE.

ARRÊTÉ EN CONSEIL.

TRAITÉ D'EXTRADITION AVEC LA RÉPUBLIQUE DU CHILI.

Château d'Osborne, Ile de Wight, le 9e jour d'août 1898.

AU Château d'Osborne, Ile de Wight, le 9e jour d'août 1898.

PRÉSENTS :

Sa Très-Excellente Majesté la REINE.
Le Lord du Sceau privé.
Lord James de Hereford.
Sir Fleetwood Edwards.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-sixième jour de janvier mil huit cent quatre-vingt-dix-sept, entre Sa Majesté et le Président de la République du Chili, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République du Chili, ayant décidé mutuellement de conclure un traité pour l'extradition de criminels, ont en conséquence nommé comme leurs plénipotentiaires :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, John G. Kennedy, écuyer, ministre résident de la Grande-Bretagne au Chili ; et Son Excellence le Président de la République du Chili, Senor Don Carlos Morla Vicuna, ministre des Affaires étrangères ;

Lesquels, après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour aucun des crimes ou délits commis sur le territoire de l'une des parties, seraient trouvés sur le territoire de l'autre.

ARTICLE II.

Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

1. Meurtre, ou tentative ou conspiration de commettre un meurtre.
2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.
5. Connaissance charnelle, ou tentative de connaître charnellement une fille âgée de moins de 14 ans, si la preuve fournie justifie l'arrestation pour ces crimes d'après les lois des deux parties contractantes.
6. Attentat à la pudeur.
7. Séquestration, détention illégale, vol d'enfants.
8. Enlèvement ou détournement de mineurs.
9. Bigamie.
10. Blessures ou autres lésions corporelles graves infligées avec malice.
11. Voies de fait ayant occasionné des lésions corporelles.
12. Menaces, écrites ou autres, faites en vue d'extorquer de l'argent ou autres choses de valeur.
13. Faux serment ou subornation de témoins.
14. Incendie volontaire.
15. Vol avec effraction, ou bris de maison, vol avec violence, larcin, ou détournement.
16. Fraude par un dépositaire, banquier, agent, mandataire, fidéicommissaire, directeur, membre ou officier public d'une compagnie, punissables de l'emprisonnement pendant pas moins d'un an par toute loi alors en force.
17. Escroquerie d'argent, valeurs, ou d'autres objets, sous de faux prétextes ; recel en connaissance de cause de numéraire, valeurs ou autres objets volés, provenant de soustractions, d'escroquerie ou d'abus de confiance.
18. (*a.*) Contrefaçon ou altération de monnaies, et mise en circulation de monnaies contrefaites ou altérées.

(*b.*) Fabrication avec connaissance de cause et sans autorisation d'un instrument, outil, ou engin adapté et destiné à la contrefaçon de la monnaie du pays.

(*c.*) Faux, ou mise en circulation de pièces, effets ou écritures publics ou privés, falsifiés, contrefaits, ou altérés.

19. Banqueroute frauduleuse et fraudes commises dans les faillites.
20. Tout acte commis avec intention de mettre en danger la vie de personnes se trouvant dans un train de chemin de fer.
21. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.
22. Piraterie et autres crimes et délits commis en mer contre des personnes ou choses, lesquels, d'après les lois des hautes parties contractantes sont des crimes sujets à l'extradition, et punissables de plus d'un an d'emprisonnement.
23. Traite des esclaves telle qu'elle est punie par les lois des deux pays.

L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le Gouvernement de Sa Majesté, ou l'individu réclamé par le gouvernement du Chili a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de la République du Chili ou dans le Royaume-Uni respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par celui du gouvernement du Chili est en état de prévention dans le territoire de la République du Chili ou dans le Royaume-Uni respectivement, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

Elle n'aura pas lieu non plus lorsque, d'après les lois des deux pays, le maximum de peine est moindre qu'un an d'emprisonnement.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procèderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République du Chili que dans le Royaume-Uni, si, dans le délai de trente jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du même Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités du pays requis quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre pays, ou les copies de ces pièces de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre pays.
2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre pays, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.
3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre pays.
4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre de l'autre pays ; cependant, les pièces susénoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les loi locales en vigueur dans le pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa

I.—PHARE D'OKA.

Un phare établi par le gouvernement du Canada sur la Pointe du Lac, ou Sandy Point, $1\frac{1}{8}$ mille en amont du village d'Oka, lac des Deux-Montagnes (système de navigation au bas de l'Outaouais) a été mis en opération le 4 du courant.

Lat. N. 45° 28' 0"
Long. O. 74° 9' 40"

La tour est un bâtiment carré en bois avec murs en pente, surmonté d'une lanterne carrée en bois, et est peinturé en blanc partout. Elle a 28 pieds de hauteur depuis sa base jusqu'au ventilateur sur la lanterne. Elle est assise sur une pile en caisson haute de 6 pieds, construite sur l'extrémité de la pointe, immédiatement au-dessous de la marque des hautes eaux, et au pied de la haute terre.

Le feu est blanc fixe, à 30 au-dessus de l'étiage du lac, et devrait être visible à 8 milles de tous les points d'approche. L'appareil éclairant est dioptrique, du 7e ordre.

Ces avis concerne les cartes de l'Amirauté Nos 259a et 797, et devrait être inséré en substance dans la Liste des phares et signaux de brume canadiens sous le No. 805.

II.—CHANGEMENTS ANS LES FEUX D'ALIGNEMENT DE STE-PLACIDE.

Les secteurs coloriés décrits dans la Partie I de l'Avis aux Marins No. 62 de 1896, destinés à marquer le chenal descendant conduisant au quai de Ste-Placide, lac des Deux-Montagnes, ont été enlevés du phare d'alignement d'avant, et le feu maintenant exhibé est blanc fixe en remontant et en descendant.

Un nouveau feu établi le 5 du courant, est aujourd'hui exhibé de la balise de jour établi en 1896, lequel, lorsqu'il ne forme qu'un avec le feu d'avant, commun aux deux alignements, conduit dans la tranchée d'aval.

C'est un feu blanc fixe, à 48 pieds au-dessus de l'étiage du lac, et devrait être visible à trois milles dans l'alignement. Il est exhibé d'une petite lanterne attachée au mât de la balise de jour, et est éloigne de 340 pieds N. ¼ O. du feu d'avant.

Cet avis concerne les cartes de l'Amirauté Nos. 259a et 797, et la Liste des phares et signaux de brume canadiens No. 807.

AMÉLIORATIONS AU CHENAL DES NAVIRES, FLEUVE SAINT-LAURENT.

I. Tranchée de la Barre à Boulard complétée et balisée.

Le département des Travaux Publics du Canada a complété le dragage de la tranchée à travers la Barre à Boulard, rapides Richelieu, dans le chenal des navires entre Québec et Montréal, sur une largeur de 500 pieds et une profondeur minimum de $27\frac{1}{2}$ pieds. L'alignement des balises de jour sur le coteau au Platon passe dans cette tranchée parallèment à ses côtés mais à 200 pieds seulement du bord nord. Les bâtiments des feux d'alignement sont en voie de construction par le Ministère de la Marine et des Pêcheries dans l'axe de la tranchée, 50 pieds au sud de l'alignement des balises. Les extrémités d'amont et d'aval du bord sud de la tranchée sont en voie d'être marquées par des bouées-boîtes noires ancrées dans 30 pieds d'eau avec les angles ci-dessous:—

II. Enlèvement des battures et réarrangement des bouées.

Le département des Travaux Publics a enlevé plusieurs hauts-fonds et battures isolées près de la ligne du chenal des navires, élargissant et améliorant aussi le chenal comme suit:—

(1.) La pointe sud de la batture qui s'avance du nord dans le chenal des navires vis-à-vis l'embouchure de la rivière Batiscan, et, du côté opposé du chenal, de la bouée-espars noire No. 33B. Cette pointe a été draguée jusqu'à une profondeur de 29 pieds à l'eau basse, 1898, et jusqu'à une largeur de 330 pieds depuis l'alignement marqué par le bord des pins en ligne avec la flèche de l'église de Batiscan. La bouée-espars noire No. 33B, qui indique la limite sud du chenal à cet endroit, est à 260 pieds au nord-est du même alignement.

(2.) L'extrémité nord de la pointe de terre marquée par la bouée-espars noire No. 56, dans le bief entre les feux d'alignement d'amont du Cap Madeleine et les balises de jour du Cap Madeleine, l'extrémité nord d'une petite batture isolée entre les bouées Nos. 56 et 57, et toute la petite batture isolée marquée par la bouée No. 57, ont été draguées jusqu'à une profondeur de 28½ pieds à l'eau basse de 1898. Ces changements donneront un chenal d'une largeur minimum de 500 pieds au coude à l'extrémité d'amont de la traverse de Bécancour. Afin de mieux indiquer le chenal amélioré la bouée-espars noire No. 56 sera reculée de 250 pieds S. 38° O., et la bouée-espars noire No. 57 sera reculée 630 pieds S. 63° O. de leurs positions actuelles.

(3.) Le chenal vis-à-vis le village du Cap Madeleine a été élargi en faisant disparaître la pointe nord de la batture vis-à-vis l'église de Cap Madeleine, marquée par la bouée-espars noire No. 57*a*, en faisant disparaître l'autre petite batture isolée au sud-ouest de cette bouée, et en faisant disparaître la batture vis-à-vis la Pointe-des-Chenaux marquée par la bouée-espars noire No. 57*b*, jusqu'à une profondeur de 28½ pieds, eau basse, 1898. A cause de ces améliorations, la bouée-espars noire No. 57*a* sera reculée à une nouvelle position à 100 pieds S. 43½° E. de sa position actuelle, et la bouée-espars noire No. 57*b* sera reculée à une nouvelle position à 940 pieds S. 42° O. de sa position actuelle.

(4.) Les quatre bouées qui seront déplacées comme susdit, seront posées avec les angles suivants :—

En conséquence de ces améliorations il est nécessaire de reculer les cinq bouées-espars noires dans le bassin pour indiquer le bord de l'eau profonde. Les nouvelles positions des bouées déplacées seront comme suit :

AVIS AUX MARINS.

No. 72 de 1898.

PUISSANCE DU CANADA—QUÉBEC.

FEUX D'ALIGNEMENT DE SAINTE-ÉMÉLIE.

En 1880, deux tours de phare furent érigées par le gouvernement du Canada à Sainte-Emélie, dans le comté de Lotbinière, province de Québec, lesquels l'un dans l'autre marquent l'axe du chenal dragué de 27½ pieds entre Cap-Charles et Cap à la Roche. Les feux dans ces tours fonctionnèrent pour la première fois le 26 ultimo.

Le bâtiment du feu d'avant est sis sur le côté sud du grand chemin courant le long de la falaise sur la rive sud du fleuve Saint-Laurent, et est à mi-chemin entre l'embouchure de la Grande rivière du Chêne et l'embouchure de la Petite rivière du Chêne. A l'emplacement la berge de la rivière s'élève abruptement à une hauteur d'environ 80 pieds, et le sommet de la berge est un terrain net, uni et cultivé.

Lat. N. 46° 33' 40"
Long. O. 72° 1' 0"

La tour est une construction en bois carrée, avec côtés en pente, surmontée d'une lanterne carrée en fer galvanisé, et a 30 pieds de hauteur de sa base au ventilateur sur la lanterne. Elle est peinturée en blanc, avec une bande rouge descendant au centre du côté ouest, faisant face au chenal. Le feu est blanc fixe, à 114 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 16 milles de tous les points d'approche par eau. L'appareil d'éclairage est catoptrique.

La tour du feu d'arrière est semblable à celle d'avant, et est sise sur une légère élévation de terrain avec bois à l'arrière-plan, à 3,420 pieds S. 70° 30' E., de la tour d'avant. Le feu est blanc fixe catoptrique, à 131 pieds au-dessus de la marque des hautes eaux, et devrait être visible à 16 milles dans un petit rayon de chaque côté de l'alignement.

Les deux feux l'un dans l'autre, N. 70° 30' O, guident entre les bouées rouge et noire, depuis la courbe au Cap Charles à la courbe au Cap à la Roche. Le chenal marqué par cet alignement est large de 300 pieds, avec une profondeur minimum de 27½ pieds à l'eau basse externe.

Cet avis concerne les cartes de l'Amirauté Nos. 797, 2779 et 2830*a* ; la carte du chenal des navires de Montréal, No. 15 ; et la Liste de phares et signaux de brume canadiens, Nos. 689 et 690.

DEMANDES AU PARLEMENT.

Règles *in re* Avis de bills privés.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Règle spéciale du Sénat.

49. (*c*.) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

Ordre permanent.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

Règles additionnelles de la Chambre des Communes concernant les bills privés.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b.* Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire faite en vertu de "l'Acte de la preuve en Canada, 1893."

AT the Court at Osborne House, Isle of Wight, the 9th day of August, 1898.

PRESENT:

The QUEEN'S Most Excellent Majesty.
Lord Privy Seal.
Lord James of Hereford.
Sir Fleetwood Edwards.

WHEREAS by the Extradition Acts, 1870 and 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient:

And whereas a Treaty was concluded on the twenty-sixth day of January, one thousand eight hundred and ninety-seven, between Her Majesty and the President of the Republic of Chile for the mutual extradition of fugitive criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Excellency the President of the Republic of Chile, having determined, by common consent, to conclude a Treaty for the extradition of criminals, have, accordingly, named as their Plenipotentiaries:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, John G. ARTICLE I.

The high contracting parties engage to deliver up to each other, under certain circumstances and conditions stated in the present Treaty, those persons who, being accused or convicted of any of the crimes or offences enumerated in Article II, committed in the territory of the one party, shall be found within the territory of the other party.

ARTICLE II.

Extradition shall be reciprocally granted for the following crimes or offences:—

2. Manslaughter.
3. Administering drugs or using instruments with intent to procure the miscarriage of a woman.
4. Rape.
5. Carnal knowledge or any attempt to have carnal knowledge of a girl under 14 years of age, if the evidence produced justifies committal for those crimes according to the laws of both the contracting parties.
6. Indecent assault.
7. Kidnapping and false imprisonment, child stealing.
8. Abduction.
9. Bigamy.
10. Maliciously wounding or inflicting grievous bodily harm.

17. Obtaining money, valuable security, or goods by false pretences; receiving any money, valuable security, or other property knowing the same to have been stolen or unlawfully obtained.

22. Piracy and other crimes or offences committed at sea against persons or things which, according to the laws of the high contracting parties, are extradition offences, and are punishable by more than one year's imprisonment.
23. Dealing in slaves in such manner as to constitute a criminal offence against the laws of both States.

The extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both contracting parties.

Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the law of both the contracting Parties for the time being in force, the grant can be made.

ARTICLE III.

Each party reserves the right to refuse or grant the surrender of its own subjects or citizens to the other party.

ARTICLE IV.

The extradition shall not take place if the person claimed on the part of Her Majesty's Government, or the person claimed on the part of the Government of Chile, has already been tried and discharged or punished, or is still under trial in the territory of the Republic of Chile or in the United Kingdom respectively for the crime for which his extradition is demanded.

If the person claimed on the part of Her Majesty's Government, or on the part of the Government of Chile, should be under examination for any other crime in the territory of the Republic of Chile or in the United Kingdom respectively, his extradition shall be deferred until the conclusion of the trial, and the full execution of any punishment awarded to him.

ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of penal prosecution, or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

It shall likewise not take place when, according to the law of either country, the maximum punishment for the offence is imprisonment for less than one year.

ARTICLE VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he proves that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

ARTICLE VII.

A person surrendered can in no case be kept in prison, or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or had an opportunity of returning to the State by which he has been surrendered.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE VIII.

The requisition for extradition shall be made through the Diplomatic Agents of the high contracting parties respectively.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

ARTICLE X.

A criminal fugitive may be apprehended under a warrant issued by any Police Magistrate, Justice of Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of Peace, or other competent authority, exercises juridiction ; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall, in accordance with this Article, be discharged, as well in the Republic of Chile as in the United Kingdom, if within the term of ninety days a requisition for extradition shall not have been made by the Diplomatic Agent of his country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed in the high seas on board any vessel of either country which may come into a port of the other.

ARTICLE XI.

The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to ; and no criminal shall be surrendered until the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

ARTICLE XII.

In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of a conviction, provided the same are authenticated as follows :—

1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.
2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.
3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.
4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State ; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken, may be substituted for the foregoing.

ARTICLE XIII.

If the individual claimed by one of the high contracting parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to the State whose demand is earliest in date.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place ; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the colonies and foreign possessions of

Her Britannic Majesty, so far as the laws in such colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such colonies or foreign possessions shall be made to the Governor or chief authority of such colony or possession by the chief consular officer of the Republic of Chile in such colony or possession.

Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Chilean criminals, who may take refuge within such colonies and foreign possessions, on the basis, so far as the law of such colony or foreign possession will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any colony or foreign possession of Her Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties by a notice not exceeding one year, and not less than six months.

It shall be ratified, after receiving the approval of the Congress of the Republic of Chile, and the ratifications shall be exchanged at Santiago as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and affixed thereto their respective seals.

Done at Santiago, the twenty-sixth day of January, in the year 1897.

[L.S.] J. G. KENNEDY,
[L.S.] C. MORLA VICUNA.

And whereas the ratifications of the said Treaty were exchanged at Santiago, on the fourteenth day of April, one thousand eight hundred and ninety-eight.

[2289]

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 30th day of September, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a report, dated 23rd September, 1898, from the Minister of the Interior, stating that some inconvenience and misapprehension have arisen and are likely to continue to arise in the minds of the public from the fact of several of the Land Agency Districts in Manitoba and the Territories bearing different designations from those by which such Districts are commonly known and which are derived from the names at the central points at which the Land Agency Offices are actually located.

The Minister therefore recommends, in order that the names of these Land Agency Districts may bear some more convenient and exact relation to the locality of the lands embraced within their boundaries, that the following changes be made in the names of those Districts hereafter enumerated :—

Souris to be hereafter Brandon.
Saskatchewan " Minnedosa.
Lake Dauphin " Dauphin.
Touchwood " Yorkton.
Qu'Appelle " Regina.
Coteau " Alameda.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,

Saturday, the 19th day of November, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Report, dated 10th November, 1898, from the Minister of the Interior, stating that the Government of the North-west Territories, through the Deputy Commissioner of Public Works at Regina, have made application to have permanently set aside from sale or settlement, as a public water reserve, the south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian, on account of some springs which are located therein.

The Minister states that the above mentioned quarter-section was reserved to the Canadian Pacific Railway Company as a portion of their land grant, but that company having agreed to waive their claim thereto, the south-east quarter of Section 21, Township 16, Range 2 east of the 1st Meridian, at their request, has been granted to them in lieu of the first mentioned land.

The Minister recommends that the said south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian be reserved during pleasure for the purpose of furnishing water supply to the settlers in the vicinity of such land.

The Committee submit the above recommendation for Your Excellency's approval.

Rough tide gauges, established by Commander Morris H. Smith, R.N., H. M. surveying ship "Egeria," on the two pile beacons marking the channel across Kelp bar, Baynes Sound, Gulf of Georgia, coast of Vancouver Island, will hereafter be maintained by this Department.

A large white board marked XXV has been placed on each of the two beacons. When the water is level with the bottom of the figures there will be 25 feet on the shallowest part of the crossing.

Four horizontal battens have been placed below each of these boards at intervals of one foot apart to assist the eye in estimating the height of the water at any time and the consequent depth on the bar.

The least water will be found when abreast the inner beacon. Ships should be steering N. by E. ½ E. or S. by W. ½ W., and should pass the beacons on their southern side at a distance of not more than 100 yards.

ARRÊTÉ EN CONSEIL.

TRAITÉ D'EXTRADITION AVEC LA RÉPUBLIQUE DU CHILI.

Château d'Osborne, Ile de Wight, le 9e jour d'août 1898.

AU Château d'Osborne, Ile de Wight, le 9e jour d'août 1898.

PRÉSENTS :

Sa Très-Excellente Majesté la REINE.
Le Lord du Sceau privé.
Lord James de Hereford.
Sir Fleetwood Edwards.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-sixième jour de janvier mil huit cent quatre-vingt-dix-sept, entre Sa Majesté et le Président de la République du Chili, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République du Chili, ayant décidé mutuellement de conclure un traité pour l'extradition de criminels, ont en conséquence nommé comme leurs plénipotentiaires :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, John G. Kennedy, écuyer, ministre résident de la Grande-Bretagne au Chili ; et Son Excellence le Président de la République du Chili, Senor Don Carlos Morla Vicuna, ministre des Affaires étrangères ;

Lesquels, après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour aucun des crimes ou délits commis sur le territoire de l'une des parties, seraient trouvés sur le territoire de l'autre.

ARTICLE II.

Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

1. Meurtre, ou tentative ou conspiration de commettre un meurtre.
2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.
5. Connaissance charnelle, ou tentative de connaître charnellement une fille âgée de moins de 14 ans, si la preuve fournie justifie l'arrestation pour ces crimes d'après les lois des deux parties contractantes.
6. Attentat à la pudeur.
7. Séquestration, détention illégale, vol d'enfants.
8. Enlèvement ou détournement de mineurs.
9. Bigamie.
10. Blessures ou autres lésions corporelles graves infligées avec malice.
11. Voies de fait ayant occasionné des lésions corporelles.
12. Menaces, écrites ou autres, faites en vue d'extorquer de l'argent ou autres choses de valeur.
13. Faux serment ou subornation de témoins.
14. Incendie volontaire.
15. Vol avec effraction, ou bris de maison, vol avec violence, larcin, ou détournement.
16. Fraude par un dépositaire, banquier, agent, mandataire, fideicommissaire, directeur, membre ou officier public d'une compagnie, punissables de l'emprisonnement pendant pas moins d'un an par toute loi alors en force.
17. Escroquerie d'argent, valeurs, ou d'autres objets, sous de faux prétextes ; recel en connaissance de cause de numéraire, valeurs ou autres objets volés, provenant de soustractions, d'escroquerie ou d'abus de confiance.
18. (*a.*) Contrefaçon ou altération de monnaies, et mise en circulation de monnaies contrefaites ou altérées.

(*b.*) Fabrication avec connaissance de cause et sans autorisation d'un instrument, outil, ou engin adapté et destiné à la contrefaçon de la monnaie du pays.

(*c.*) Faux, ou mise en circulation de pièces, effets ou écritures publics ou privés, falsifiés, contrefaits, ou altérés.

19. Banqueroute frauduleuse et fraudes commises dans les faillites.
20. Tout acte commis avec intention de mettre en danger la vie de personnes se trouvant dans un train de chemin de fer.
21. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.
22. Piraterie et autres crimes et délits commis en mer contre des personnes ou choses, lesquels, d'après les lois des hautes parties contractantes sont des crimes sujets à l'extradition, et punissables de plus d'un an d'emprisonnement.
23. Traite des esclaves telle qu'elle est punie par les lois des deux pays.

L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le Gouvernement de Sa Majesté, ou l'individu réclamé par le gouvernement du Chili a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de la République du Chili ou dans le Royaume-Uni respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par celui du gouvernement du Chili est en état de prévention dans le territoire de la République du Chili ou dans le Royaume-Uni respectivement, pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

Elle n'aura pas lieu non plus lorsque, d'après les lois des deux pays, le maximum de peine est moindre qu'un an d'emprisonnement.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procèderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République du Chili que dans le Royaume-Uni, si, dans le délai de trente jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du même Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités du pays requis quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre pays, ou les copies de ces pièces de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre pays.
2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre pays, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.
3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre pays.
4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre de l'autre pays ; cependant, les pièces susénoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les loi locales en vigueur dans le pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa

Majesté Britannique, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au Gouverneur ou à l'autorité supérieure de cette colonie ou possession, par le premier officier consulaire de la République du Chili dans cette colonie ou possession.

Le Gouverneur ou l'autorité supérieure mentionné ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels du Chili qui auraient trouvé un refuge dans ces colonies et possessions étrangères.

Les demandes faites par une colonie ou possession étrangère de Sa Majesté Britannique pour l'extradition d'un criminel fugitif, seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux pays. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis de six mois.

Le traité sera ratifié, après avoir reçu l'approbation du Congrès de la République du Chili, et les ratifications seront échangées à Santiago aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité et y ont apposé le cachet de leurs armes.

Fait à Santiago, le vingt-sixième jour de janvier, dans l'année 1897.

[L.S.] J. G. KENNEDY,
[L.S.] C. MORLA VICUNA.

Et attendu que les ratifications du dit traité ont été échangées à Santiago le quatorzième jour d'avril mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le vingt-deuxième jour d'août mil huit cent quatre-vingt-dix-huit, les dits actes s'appliqueront dans le cas du Chili, et du dit traité avec le Président de la République du Chili.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits Actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 23 de septembre 1898, du ministre de l'Intérieur, énonçant qu'il s'est élevé des ennuis et des doutes, qui probablement continueront d'exister dans l'esprit du public, du fait que plusieurs des districts d'agence de terres dans le Manitoba et les Territoires du Nord-Ouest portent des désignations différentes de celles par lesquelles ces districts sont généralement connus, et qui sont tirées des noms à certains points centraux où les bureaux d'agence des terres sont actuellement situés.

Le Ministre recommande donc, afin que les noms de ces districts d'agence de terres soient désignés par des noms plus en harmonie avec la localité des terres renfermées dans leurs bornes, que les changements suivants soient faits dans les noms des districts ci-après énumérés :—

Souris	sera à l'avenir	Brandon.
Saskatchewan	"	Minnedosa.
Lac Dauphin	"	Dauphin.
Touchwood	"	Yorkton.
Qu'Appelle	"	Regina.
Coteau	"	Alameda.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

EQUITATION POUR LES OFFICIERS À PIED.

Vu les Ordres généraux (13) et (76) de 1896, (107) de 1897, et (50) de 1898, à ce sujet, il appert qu'il est survenu des cas où des officiers qui sont bons cavaliers ont été obligés de suivre un cours d'instruction en équitation, conformément aux Ordres Généraux précités.

Le but des dits Ordres Généraux est que les officiers à cheval d'unités à pied possèdent les qualités nécessaires comme cavaliers qui leur permettent de remplir leurs devoirs lorsqu'ils sont à cheval.

Les officiers qui sont en état de remplir ces conditions sous tous les rapports, et d'obtenir la proportion réglementaire de points, auront la permission de se présenter devant un conseil assemblé dans ce but par ordre de l'adjudant général, dont l'un des membres sera, si possible, l'inspecteur de cavalerie.

Les demandes pour ces conseils seront transmises à l'adjudant général par la voie ordinaire, énonçant l'endroit et les dates approximatives convenables aux requérants.

AVIS AUX MARINS.

No. 74 de 1898.

PUISSANCE DU CANADA—QUÉBEC.

(Division des phares d'Ontario.)

I.—PHARE D'OKA.

Un phare établi par le gouvernement du Canada sur la Pointe du Lac, ou Sandy Point, 1⅛ mille en amont du village d'Oka, lac des Deux-Montagnes (système de navigation au bas de l'Outaouais) a été mis en opération le 4 du courant.

Lat. N. 45° 28' 0"
Long. O. 74° 9' 40"

La tour est un bâtiment carré en bois avec murs en pente, surmonté d'une lanterne carrée en bois, et est peinturé en blanc partout. Elle a 28 pieds de hauteur depuis sa base jusqu'au ventilateur sur la lanterne. Elle est assise sur une pile en caisson haute de 6 pieds, construite sur l'extrémité de la pointe, immédiatement au-dessous de la marque des hautes eaux, et au pied de la haute terre.

Le feu est blanc fixe, à 30 au-dessus de l'étiage du lac, et devrait être visible à 8 milles de tous les points d'approche. L'appareil éclairant est dioptrique, du 7e ordre.

Ces avis concerne les cartes de l'Amirauté Nos 259a et 797, et devrait être inséré en substance dans la Liste des phares et signaux de brume canadiens sous le No. 805.

II.—CHANGEMENTS ANS LES FEUX D'ALIGNEMENT DE STE-PLACIDE.

Les secteurs coloriés décrits dans la Partie I de l'Avis aux Marins No. 62 de 1896, destinés à marquer le chenal descendant conduisant au quai de Ste-Placide, lac des Deux-Montagnes, ont été enlevés du phare d'alignement d'avant, et le feu maintenant exhibé est blanc fixe en remontant et en descendant.

Un nouveau feu établi le 5 du courant, est aujourd'hui exhibé de la balise de jour établi en 1896, lequel, lorsqu'il ne forme qu'un avec le feu d'avant, commun aux deux alignements, conduit dans la tranchée d'aval.

C'est un feu blanc fixe, à 48 pieds au-dessus de l'étiage du lac, et devrait être visible à trois milles dans l'alignement. Il est exhibé d'une petite lanterne attachée au mât de la balise de jour, et est éloigné de 340 pieds N. ¼ O. du feu d'avant.

Cet avis concerne les cartes de l'Amirauté Nos. 259a et 797, et la Liste des phares et signaux de brume canadiens No. 807.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.
